Need For Work On Canyon Wash Given Council Favor

AARON BLOOM (on the left) president of Sierra Engineering Company explains sculpting processes to committee chairman, Miss Julie Auerbach, Chrysler Corporation and Mr. John Starkey, Ford Motor Company. Actively engaged in building test dummies, used in testing automobile safety standards, Sierra Engineering was host for meeting of Automotive Engineers.

At Sierra Engineering

Meeting Of Automotive Engineers Held In S.M.

A meeting of major significance to automobile manufacturers throughout the free world, was held in Sierra Madre, at Sierra Engineering Co., last week. In order to market their cars in the U.S., it is mandatory that the manufacturers meet the safety standards and testing as prescribed by the National Highway Safety Bureau.

To meet many of the test requirements, anthropometric test dummies are required and considerable controversy has surrounded the design and sizing of the dummies. Last week's meeting was called by John Starkey, Ford Motor Co., Dearborn, Michigan, the chairman of the Society of Automotive Engineers committee, to resolve these differences in opinion.

The meeting was held at Sierra Engineering Co. so the attendees could have the services of the company personnel, sculptors, etc., who are actively engaged in

building test dummies. For many years, Sierra Engineering Co. has been the foremost developer of these unique test devices.

Among prominent personalities who participated

Camp Fire Girls Hold Annual Council Fire

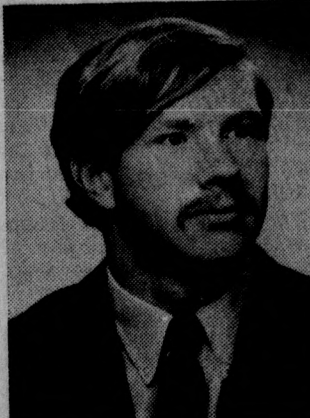

Despite a rain-out rehearsal and threatening rain last Friday, June 7, the annual Grand Council Fire of the Sierra-Hastings District of Camp Fire Girls took place on schedule.

The colorful ceremonial gowns and jackets of the girls around the cheery fire dispelled the gray gloom of the weather. The program followed the traditional pattern beginning with the W. He-Lo call to the fire.

Besides the many Blue Bird groups there were over 100 Camp Fire Girls in the

ALAN HARTLEY
... Cum Laude

Six California residents were among 270 students who received Bachelor of Arts degrees on June 9 at the Middletown, Connecticut Wesleyan University's 136th commencement. More than 130 advanced degrees were conferred at the same ceremony.

Included in the California residents who received their bachelor degrees was Alan A. Hartley, of 31 E. Highland Ave., cum laude.

If Design Concept Approved By July 1 Construction Spring '69, Finish In Fall

Council To Plan Start of Sewers For Canyon Area

An entirely new Council received the report of Lockman and Bevington on the reconstruction of the Canyon Wash as presented to the city by Omar Hall of the Los Angeles County Flood Control District in conjunction with the United States Corps of Engineers.

The eleven page report presented by Lockman-Bevington, Civil Engineers, was called for by Acting City Administrator Charles R. Martin and set down in simple language the problems involved and the anticipated methods of solving them.

The Council, with very little hesitation, went on record that they saw the need for the work on the Canyon Wash and gave their approval to the LAC FCD to proceed. After considerable discussion it was further decided that the City approve the Closed Wash Design and asked the Corps of Engineers to return to that method of solution.

As explained in the report, if the City Council will give their approval of the design concept and the alignment by July 1, and it is hoped to have this approval at their meeting of June 25, the LACFCD and the Corps of Engineers will start construction work in the early spring of 1969 and

will complete the job by the fall months of the same year.

Councilman Gordon Rudolph presented a plan, after the building of the closed conduit for a Canyon Playground area and a Canyon Park, this will be taken up at a future date along with other plans for the Canyon area. A complete series of the report will be published in the following issues of the Sierra Madre News.

Other Business

Ordinance 817 was given its first reading by title only and deals with further limiting of the responsibilities of the City Clerk and passing the duties to the Director of Finance. This Ordinance, in part, relieves the City Clerk from signing of all City checks, and proceeds to pass other duties of the City Clerk to the Director of Finance. Second reading will be given June 25, and if adopted, will become law on July 25.

The City Attorney was instructed to bring in an ordinance for discussion with the thought in mind of adopting the L.A. County Health Code by reference.

A one-year street sweeping contract was given the R. F. Dixon Co. for \$1491 a month. Madeline Anderson was given title of Secretary to the City Administrator, at a salary of \$548 month. The garage on corner of S. M. Blvd. and Baldwin was placed for bid to be opened June 21. Complete demolition is required by July 16.

Building Rate On Upswing

The valuation of building permits issued in Sierra Madre for the first five months of this year show an increase of almost one million dollars over the like period of 1967.

The first five months of 1968 show \$1,392,475 valuation and \$466,502.24 for the first five months of 1967.

Total number of building permits issued for the month of May, 1968, 25 permits, valuation \$320,423. Street, electrical and plumbing permits issued, 41, with fees of \$639.69.

Plan check and building permit fees amounted to \$1,363.75. Business licenses, \$677.55.

Fourteen dog licenses were issued, fees \$48; bike licenses, 7 issued, fees \$7.

John C. Van Ness Ends Training

Army Private John C. Van Ness, 17, son of Mr. and Mrs. Robert G. Van Ness, 36 Mira Monte Ave., completed eight weeks of advanced infantry training May 25 at Ft. Ord, Calif.

He received specialized instruction in small unit tactics and in firing such weapons as the M-14 rifle, the M-60 machine gun and the 3.5-inch rocket launcher.

MARCH OF DIMES' AWARD PRESENTATION — In recognition of (center) Mrs. Michael Dooley, Sierra Madre area chairman, and (right) Mrs. John Matter, Mothers' March chairman, who received 10-year and 5-year pins respectively, for their contribution to the past 1968 March of Dimes fund-raising drive, a presentation of "Appreciation Awards" were made by the San Gabriel Valley March of Dimes at an Arcadia inn, recently. Television actress Gigi Perreou, L.A. County Mothers' March chairman, (left) and 3-year-old Jodi Jehning, Monterey Park, who is the 1968 County Poster Girl, were on hand to offer congratulations.

Robert Donohue Given Promotion

ROBT. T. DONOHUE
... Sierra Madrean

Robert T. Donohue, a noted authority on sensors, lasers and electro-optical systems for satellites and missiles, has joined Aerojet-General Corporation as technical director of the firm's newly established Black Watch Program Office.

Fire Call Mon. A.M.

The Sierra Madre Volunteer Firefighters were called into action at 10:15 Monday morning to the home of Katherine Wright at 298 Mariposa.

Engine 424 arrived at the scene 2 minutes and 27 seconds after the sounding of the alarm to find that a broken flexible line on the gas heater was broken and did not have a shut off valve and the rug was set afire. The fire was also serviced by truck 421 and 422 with Engine 423 arriving in 3 minutes and 49 seconds after the alarm.

Twelve regular firefighters and two reserves answered the alarm and were dismissed at 10:35 with engines secure.

Chief Charles Brown estimated the damage at \$5 and noted a civilian, Bonnie Freedman of 420 Foothill, this city received a minor burn. The fire was extinguished with a CO2 extinguisher, no water was used.

This Makes Sense To Us

by Pasadena Taxpayers Ass'n, 466 E. Del Mar, Pasadena Hamilton de Jong, chairman

SAFE BUILDINGS FOR PASADENA SCHOOL CHILDREN For the fourth time the present leadership of the Pasadena Unified School District has failed to accomplish Field Act Safety Work by a Bond issue.

We feel the reason for failure has been the addition of large expenditures irrelevant to safety, and the feeling that the work, estimated to cost less than \$2 million, can be accomplished from the current budget in a period of declining enrollments.

We suggest these immediate steps:

1. That the California State Department of General Services inspect Pasadena school buildings for safety. (This has never been done). This inspection should be called by the School Board, and if they refuse, by written request of 10% of the parents — Paragraph 15,465 Education Code.

2. That the District shall prepare cost estimates for repair or replacement of buildings (reflecting modern educational needs) in accordance with the standards set by the State Allocation Board — Education Code 15,503.

3. While this is being done, and commencing no later than June 11, 1968, the School Board shall undertake a thorough study of current spending and reserves for the purpose of diverting as much as feasible toward accomplishing Safety work, eliminating unnecessary spending irrelevant to safety.

4. Safety work should immediately start using these funds.

5. In event the \$2 million cannot be obtained from the \$26 million of current spending, after a thorough and public analysis, we recommend that an election be called (under provisions 15,501-15,515 Education Code) to allow citizens to vote directly on each of the three following propositions on one ballot.

1. Bonds for safety and safety aloneYesNo
2. Tax override for safetyYesNo
3. Authorize use of temporary bldgs.YesNo
This non-deceptive program will assure safe buildings and restore confidence in public school leadership in Pasadena.

It Takes Strong Legs To Go On This European Tour

Seventeen-year-old Lynn Appleby, daughter of Glen and Dorothy Appleby of 184 S. Lima, is going to Europe this summer for two months with the American Youth Hostel Group. Substantial will cost her only \$3 a day while on tour, which includes places like London, Belgium, the Netherlands, with the majority of time spent in Germany and Vienna. Now, before the San Gabriel Valley Council of the American Youth Hostel, Inc., offices in Claremont are besieged with people wanting to go to Europe for \$3 per day, you better read on Lynn, a young lady who has only been cycling since December, will be riding a bike through Europe. Fortunately, the attractive brunette seems to have taken on to bike riding like, as the saying goes, "a duck takes to water."

The tour departure date is June 28 from New York and Lynn is busy getting passport, shots, necessary paperwork, clothes, bike and all other last minute details ready and complete as the "Day" draws nearer. Packing must be kept to a minimum as what you take you must be able to carry in two saddlebags—which will hold (about) 22 very compact pounds. Lynn's saddlebags will contain 1 dress-up dress; 1 sweater (to go with the good dress); two pairs

LYNNE APPLEBY

... A Serious Cyclist

of special riding shorts, jersey lined and with a chambray insert to prevent chafing; three jersey tops, also for riding; 1 pair of long pants or slacks; swimming suit; towel; 1 skirt; water-proof jacket; toilet articles, and nylon underwear. All these items are either drip dry or quick drying and are light weight. Also included is what is known as a nylon sleeping sack; the group will be spending each night at the youth hostels along their route and this sack fits over the mattress and has its own attached sheet; the hostels furnish the rest of the necessary bedding.

Lynn, who believes that "a lot of cycling is mental," will be taking three pairs of shoes — dress — walking and special cycling shoes with cleats. The cleats, she explained, are an optional item and many bicycle riders (the serious kind) like herself, prefer them as they give you a better grip when peddling uphill and thus make the going a little easier.

Baldwin Estate Open For Day Camp

Baxter • Anokaia School has announced that a day camp and recreation program will be held on this historic nineteen acre campus that was once the home of Anita Baldwin.

The Grecian tiled swimming pool will be used for competitive swimming, water ballet, and swimming instructions at all levels.

The auditorium size game room will be used for the drama workshop, where students may participate in productions. Selected films will be arranged for fun and nature study in this room.

A large arts and crafts department will work in papier-mache, collage and sculpture.

Tennis instruction, play and competition on the professional clay courts is included in the program. In addition, team sports under qualified coaches will include soft ball, and basketball. Horse back riding will be offered as a special activity upon request.

The program of summer fun and supervised recreation for children from about 6 to 14 years of age, commences June 19 and continues for 6 weeks, however, a weekly enrollment may be arranged. Parents interested in the program should call Baxter-Anokaia at 445-4060.

Pop Warner Signups

Pasadena Pop Warner Football, Inc., will have its second registration of this new season this coming Saturday, June 15, for 10 a.m. to 2 p.m. at Victory Park. This program is the only youth tackle football played in this area.

Ages range from 10 to 14 years; weights go from a minimum of 70 pounds to a maximum of 135 pounds. In addition, there is an exponent point system which will allow an older boy who is very light to play in a lower classification.

Future registration will continue until August 15 when conditioning will begin in earnest at Victory Park, Pasadena Pop Warner's home field.

For any further information, contact Keith McKay, president, Pasadena Pop Warner, at 355-1879, or Effie Green, secretary, at 796-5812.

Our new City Administrator, Norman C. Boehm, took over the reins of City Hall last Monday, and already we can see a tremendous difference in our City's operations.

Of course Norman did not allow grass to grow under his feet. Many weeks prior to his appointment he was studying the layout of our City Government, just in case he was the one given the nod.

It is odd how quickly he uncovered the "Jelly Smearers" and the workers of our City, and he hasn't missed a trick. It is our opinion, that from this time on things around City Hall are going to get tighter, tighter and tighter. Very soon now we will back on a normal operational basis.

We thank the good Lord for this. It has been almost 10 months since we've had any real decorum in our City Hall. Not that we criticize our Acting City Administrator Charles Martin. He did a hell of a good job for only having the opportunity of spending five or six hours a week at it. He had some real help in the City Hall to keep things running as smoothly as they seemed to go.

But now, we are off and running. - It is not too soon, either. Tuesday night we started on the Canyon Wash, and thank goodness this was turned over to Willie Lockman, engineer. He will be assisted by his partner, Larry Bevington. Maybe this time we can filter out all the "double talk" and "gingerbread from the project and get down to business. The new City Council has a mighty big decision to make, and personally I think it will go through with fast action.

Also discussed, and started on its way was the City of Sierra Madre joining with the County of Los Angeles in adopting the "County Health Code." It has always been a complete mystery to me as to why 75 other cities in the County would have seen fit to adopt this uniform Code, yet Sierra Madre felt that it was not necessary for them.

The turning down of this step forward was accomplished about a year and a half ago and was spearheaded by our City Clerk. Seems that her turnaround of the Health Code had something to do with her and her friends' personal desires. What happened to the rest of the City of Sierra Madre was given very little thought.

It is our personal thinking that with the possibility of straightening out the Sierra Madre Wash, the many other facets that will accompany this project, and the installation of the Uniform County Health Code, that we will be "on our way" toward the accomplishment of "clean-up of the Canyon area," and by clean up we do not mean the raking of leaves.

I kinda get a kick out of a story that our Bill Richardson, State Senator, told the other day. . . . Seems that he was coming home on a plane out of Sacramento and struck up a conversation with a fellow traveler. Both were going home after a long absence.

"I'm a little scared of meeting the home-folks," said the first. "I've been in 2 years ago to date . . . 26.78"

City's Bookkeeping Dept. Is In A Sad State of Affairs

Councilmen Untangle Delinquent Rumor of May Accounts Payable

NCR Machine Costs \$425 Month, But Seldom Used — Training A Must

Council Must Immediately Appoint Finance Director

Dear Mayor Rule: Pursuant to your instructions, we have investigated the matter of the late payment of the current bills of the City of Sierra Madre. In accomplishing our directive, we reviewed the warrant register for May, 1968, and its supporting documents and conducted interviews with selected paid and elected personnel of the City.

Included with this report is a copy of the warrant register for May, 1968. You

will note that our breakdown of the register is divided into five columns. Column No. 1 is the warrant number, No. 2, the invoice date, No. 3, the vendor, No. 4, the amount, and No. 5, the month the vendor should have been paid. In addition to the five columns, at the left there appears fairly often an "X." The "X" is to indicate that that item was or could have been considered as paid late. There is a total of 95 items, of which 45 have an

"X." Of the 45 items, only 10 were worth consideration. At the conclusion of the warrant summary you will notice a summary of invoices paid in May and segregated by the month in which the liabilities were incurred.

The following is a summary by month of the invoices we considered:

December Invoices
Warrant No. 8932 in the sum of \$20.84 was payable to IBM for ribbons. The supporting documents indicate the City received the following dated statements: November 24, 1967; November 30, 1967; December 30, 1967; January 1, 1968.

January Invoices
Warrant No. 8972 in the sum of \$40.07 payable to Read & Company for miscellaneous supplies was ap-

May de Wright Leaves \$100,000

Hospital To Build 85-Bed Convalescent Unit Here

The building of an 85-bed Sierra Madre Convalescent Hospital is now assured by the receipt of \$90,000 from the estate of May de Wright, long time and dearly remembered Sierra Madrean.

A previous \$10,000 received by stipulation of the May de Wright will now makes \$100,000 contributed to the Sierra Madre Hospital by the well known, long time resident and patriot of Sierra Madre, on the condition that this bequest be used toward the building of a convalescent hospital.

Plans are now being drawn, stated Carl Hobson, president of the Sierra Madre Community Hospital

— Please turn to Page 9

Board of Directors, for construction of the convalescent addition to the present hospital and medical center. The drawing of the plans is in the hands and under the direction of George T. Kinkpatrick, well known Los Angeles architect.

Once the plans have been drawn and finally approved by city, county and state authorities, the project will be open to building bids. It

TODAY'S SPELLING LESSON

What do the letters, P-H-A-R-M-A-C-I-S-T spell to you? Pharmacist? Or, do they spell a lot more? Think about it for a minute. One of our pharmacists here at Hartman Pharmacy proudly prepares your prescription. He has YOUR health in mind, and his services are available day or night. When and if refills are required, your prescription has been recorded for just such a future reference. Accurate measurement is another merit of our pharmacists here at Hartman Pharmacy. His is professional ability. Should you be "out-of-sorts," having just come from the doctor's office, he will exercise extra compassion and courtesy. His integrity is second to none, since he feels that the filling of your prescription is just as important as the writing of it.

Your Doctor and your Pharmacist are both on your health team. So the next time your doctor gives you a prescription to be filled, remember that the letters that spell Pharmacist spell a lot more.

Rudolph R. Hartman

The world won't pay you for what you know, but it will pay you well for what you DO with what you know.

Hold on to the Good Times

How sad it is that it takes a tragedy to bring the people of this land together in a common emotion. The assassination of Robert Kennedy for a few days wiped out any political and partisan strife and replaced it with grief, compassion, and absolute sympathy. The Kennedys, one and all became everyone's family and their grief was shared by a nation.

Why one family that has dedicated so much to this country should be the subject of so many tragedies defies comprehension. To suffer the same tragedy twice is too unbelievable to accept. It is clearly understood why they were so beloved in the country because in spite of their wealth they are a family that is dedicated to the less fortunate.

Whether you agreed with Robert Kennedy's political viewpoints or not is not important. He appealed to the nation because he firmly advocated the importance of our people becoming independent of the government again before we become a nation that can not stand alone.

So many of the reporters were wont to dramatize the fact that we are a sick nation. We are not a sick nation because of a few people that are misguided. However we are a very troubled nation. Our nation is very little different than the housewife that finds herself with too many things to do in too little time. Which problem should be tackled first and which is most important? With a country as large and affluent as ours there are bound to be troubled times. One by one we will have to tackle our problems and one by one they will be replaced with a new set. Certainly violence is not the answer, nor is apathy.

Perhaps the historians of some future date will be able to tell us that these tragic deaths served to

strengthen our country. Maybe that will offer a little comfort to the families that have been broken by those fateful bullets. In the meantime it will be up to us to write those pages in history that will show us a better and more unified nation.

Last week my husband and I had a delightful trip going up to get our daughter Sherri at the University of San Francisco. We went up the inland route and for once he let me stop at a wine tasting room. (I'm a born sucker. For years I have been trying to get him to stop so I could see the "Thing" on the way to Las Vegas. I haven't made that stop yet but I did buy out the wine cellar in Madera.) After a couple of perfect days in San Francisco we came home the coast route stopping at Heart's castle in San Simeon.

I've heard so many pros and cons on the furnishings of the castle and I can understand both sides. To us it was a delightful experience. His collection of artifacts is outstanding as you know. In spite of the size of the dwellings there is a definite feeling of warmth and livability. He has been criticized for having a great many copies of famous statues and pieces but I'm here to tell you, that from a layman's viewpoint I can't see any reason why not.

They are lovely and if he enjoyed them who says they have to be originals. Let me put in one word of advice if you are planning to visit the castle. As summer approaches it is high on to impossible to secure tickets because of the limited amount of people that can be escorted per day.

However, if you know when you want to go you can simply write to Sacramento to the Hearst Reservation Office, Dept. of Parks and Recreation, P.O. Box 2390, Sacramento, Calif. 95811. The tours for adults are \$3 for the downstairs tour, which includes part of the castle, one of the guest houses, and the garden. The upstairs tour is \$4 and that is a guided tour with no more than ten to a party. It includes all of the living quarters upstairs as well as a good many of the bedrooms. The prices are slightly less, I believe, for juniors, and children under six are admitted without charge.

Last week was birthday party week at the Alan Wayne home. Young master Larry was captain of the pirate ship for his fifth birthday and mates all rallied round to — Please turn to Page 14

AT THE FIFTY-SECOND INSTALLATION of officers of Arcadia Assembly No. 131 held Friday evening, May 24, in Arcadia, included, left to right: Debbie Church, Faith; Julie Gelber, Charity; Nancy Cannon, Worthy Advisor; Alice Billman, Worthy Associate Advisor, and Mary Koumas, Hope.

Rainbow Girls of Arcadia Assembly 131 Install Officers in Arcadia May 24

The fifty-second installation of officers was held by the Arcadia Assembly No. 131, International Order of Rainbow for Girls, at the Masonic Temple in Arcadia on Friday evening, May 24. Miss Nancy Cannon, the lovely daughter of Mr. and Mrs. Rodman Cannon of Arcadia, was installed as Worthy Advisor for the Assembly.

Nancy's theme, "The Art of Friendship" was carried out beautifully with small bouquets of violets and powder blue ribbons for her officers' carry-ins. The scent of fresh violets and organ music soft and sweet, filled the room as Nancy entered the assembly room wearing a beautiful powder blue formal and carrying a large bouquet of blue flowers and fresh violets.

Escorted into the assembly room were master of ceremonies for the evening, Mr. Rodman Cannon; Mrs. Vinita Howard, Mother Advisor and Grand Deputy, and Cindi Hoffman, retiring Worthy Advisor.

Installing officers were: Past Worthy Advisors of Arcadia Assembly Judy Graves and Dani Dixon, Installing Marshals; Sherrie Cubba, Installing Officer; Sheryl Thomas, Installing Chaplain; Martha Tidwell, Installing Recorder; and Mrs. Dorothy Stadler served as installing Musician for the evening.

The address of welcome was given by the master of ceremonies, Mr. Rod Cannon. The Holy Bible was escorted into the assembly room by Miss Pam Craychee. Mr. Barry Dixon escorted the American Flag and Miss Alice Hillman gave a very impressive tribute. The Rainbow Banner was presented by Lisa Wolff who

also gave the tribute. Escorted and introduced in the East were Grand Officers: Miss Margaret Roth, Grand Representative to Wisconsin, Temple City Assembly; Miss Nancy Hyndinger, Grand Representative to Illinois, Rosemead Assembly; Mrs. Vinita Howard, Grand Deputy, District 57; Miss Marti Letzinger, Worthy Advisor for Temple City Assembly. Introduced also were Worthy Matrons Mrs. Ruth Guinn, Order of Eastern Star, Chapter No. 471, Arcadia; Mrs. Burnette Meeder, Order of Eastern Star, Chapter No. 299, Sierra Madre; Mrs. Alice Starb and Worthy Patron Mr. George Starb, Order of Eastern Star, Chapter No. 575, Santa Anita. Also introduced were Past Mother Advisors, Mrs. Irma Charlton, Arcadia Assembly; Mrs. Esther Meagher, Pasadena Assembly.

Other officers installed with Nancy were Alice Billman, Worthy Associate Advisor; Julie Gelber, Charity; Mary Koumas, Hope; Debbie Church, Faith. Honorary officers installed for the ensuing term: Alice Billman, American Flag Tribute; Lisa Wolff, Rainbow Flag Tribute; Debbie Chapman, Custodian; Tina Pickett, Historian; Ginny Bueckler, Prompter; Susie Malous, Sunshine Girl, and Lina Janda, Publicity.

Officers installed: Kathy Scott, Recorder; Rita Hasenstab, Treasurer; Jan Billman, Chaplain; Cheryl Morago, Drill Leader; Carol Wallace, Love; Wendy Crain, Religion; Jan Bowman, Nature; Nina Waynick, Immortality; Vickie Betts, Fidelity; Cindy Pickett, Patriotism; Linda Janda, Service; Cheryl Gresser, Confidential Observer; Linda Piercy, Outer Observer; Ann

Ehrlich, and Ginny Bueckler, Choir Director. The installation was closed with the playing of "The Lord's Prayer" by Mrs. Dorothy Stadler.

A reception followed in the dining room where Nancy's colors of powder blue and violet were carried out in a tiered centerpiece on the table and violet napkins.

Members of the Advisory Board present were: Mr. Lawrence Britton, chairman; Mr. Hugh Buck, Mr. William Scharing, Mr. Joseph Thomas, Mrs. Goldes Wyre, Mrs. Linda Nowa, Mrs. Zelma Loury, Mrs. Audrey Hibler and Mrs. Eunice Hargus.

Mrs. Ashleigh Buchan Installed As S.M. Civic Club President At Dinner

Mrs. Ashleigh (Mary) Buchan was installed as president of Sierra Madre Civic Club at their annual installation dinner meeting held at a nearby restaurant. Mrs. Buchan served as first vice president and co-chairman of the very successful boutique workshop, last year.

Also installed were Mrs. Gerald DePalma, first vice president; Mrs. James Taylor, second vice president; Mrs. John Gerdinando, corresponding secretary; Mrs. J. W. Farmer, recording secretary, and Mrs. Fred Bauer, treasurer; Mrs. John Starkey, retiring president, parliamentarian.

Mrs. James Vine was installing officer. She is a past president of Civic Club and is now the first vice president of California Federation of Women's Clubs, Verdugo district.

Mrs. Starkey was honored for her two years as club president. Honored guests of the dinner also were Mrs. Yvonne Dooley and Mrs. Robert Hopkins who received parchment scrolls

and plaques for their diligent efforts as club members.

As a result of this past year's ways and means activities under Mrs. F. J. Alfrey's chairmanship, money raised will go to build a fire circle at Bailey Canyon, to Sierra Madre Search and Rescue and to Village Esperanza for the handicapped children. Also to the continuing projects of Sierra Madre Toy Loan and Youth Employment Service.

Other smaller donations have been made and the group also gave many hours in community service. In connection with Toy Loan, they sponsor a group of 30 pre-teen girls, the Toy Soldiers, providing much worthwhile activity for this age group. And the important youth employment places an average of 100 young people in jobs each month.

Mrs. Starkey thanked her retiring board and the members for their work and cooperation which were recognized by the many awards received from Federation of Women's Club including a sweepstakes award in the category of activities on behalf of youth.

Upon receiving the gavel from Mrs. Starkey, as the new president Mrs. Buchan pledged the club to renewed service and dedication with great strength in view of the recent tragedies in our country.

In addition to the new board the following were named as chairmen: Mrs. DeLoyce Alcorn, community service; Mrs. William Holcomb, toy loan; Mrs. Keith Mankin, toy soldiers; Mrs. Larry Durr, youth employment with Mrs. Robert Matter, volunteer at the Y.E. office; Ms. Douglas Watts, philanthropy; Mrs. Arville Wade and Mrs. Glenn Johnson, co-membership, programs; Mrs. Edward Chapman, historian; Mrs. Ruth Barden, Blood Bank; Mrs. Gordon Caldwell, hospitality; Mrs. William Wade, telephone co-chairmen; Mrs. Nancy Davis and Mrs. Joan Crow, hostessing; Mrs. Arville Wade; music and art; Mrs. Glenn Johnson, and inspirational, Mrs. John Hahn.

As a rule a man doesn't know he is going down hill until he catches the whistle of the wind.

News From Your COMMUNITY HOSPITAL

... Sierra Madre

Returning to his home at 615 W. Montecito Ave. the last of the week was Beryl Cuthbertson who had spent several days following surgery at Sierra Madre Community Hospital.

Mrs. Kathryn Scheuer of 178 E. Sierra Madre Blvd., has been a medical patient in Sierra Madre Community Hospital, having been admitted during the past week.

A resident of this community, living at 420 W. Sierra Madre Blvd. is Miss Verna Lee Mott. She is presently a patient at Sierra Madre Community Hospital where she had undergone surgery.

Entering Sierra Madre Community Hospital last Tuesday as a medical patient was Mrs. Letitia Scalzo. Her home is at 70 E. Sierra Madre Blvd., to which she returned on Thursday.

Mrs. Clara Anderson was admitted to Sierra Madre Community Hospital during the past week. She is a resident of this community, living at 110 E. Bonita St.

A patient, spending some

time recently in Sierra Madre Community Hospital, was Mrs. Lee Hall. Her home is at 415 Fairview Terrace.

Mr. and Mrs. Donald Urban who live at 1835 S. Second Ave., Arcadia, are enjoying parenthood for the first time. Their son William Edward was delivered at Sierra Madre Community Hospital, Thursday, May 29, weighing 6 pounds, 15 ounces.

A medical patient for several days last week in Sierra Madre Community Hospital was William Barrett, Sr., who lives at 200-E S. Michillinda Ave.

Mr. and Mrs. Leonard Darrell, Jr., living at 1149 Hollywood in Azusa have taken home their son Leonard Benjamin Darrell III from Sierra Madre Community Hospital. He was delivered there on Friday, May 30 and his birth weight was recorded as 5 pounds, 15 ounces.

Mrs. Delahooke New President

Sierra Madre Hospital
Auxiliary has elected Mrs.
Russell Delahooke president
at their general luncheon
meeting. She will succeed
Mrs. Jack Tilley, who will
serve as the parliamentar-
ian next year.

Other new officers are
Mrs. O. K. Anderson, vice
president; Mrs. John Host-
erman, secretary; Mrs.
Richard Law, treasurer;
Mrs. Edward Chapman, di-
rector, and Mrs. Paul Hens-
ley and Mrs. William Sulli-
van, nominating committee.

Honored as guests at
the luncheon were mothers
of the group's teenage
auxiliary, the Candystris-
pers. Mrs. Leslie Webster
was luncheon chairman
with attractive table decora-
tions made by Mrs. Wil-
liam Stoddart.

Another recent event for
the Auxiliary was the
luncheon party the Grand
Slammer bridge group gave
for all auxiliary members
at the home of Mrs. Walter
Nollac. The outdoor party,
with a western theme, was
a fun affair.

The weather that day
was perfect and compli-
mented the delicious food
under the charge of Water-
erie Law, with Walter
Nollac and Arthur Maricq
acting as chefs at the grill.

Last Notice On Weeds

Fire Prevention Chief
Richard Ludden noted that
the deadline on the weed
abatement program is
drawing near.

It is suggested that those
residents wishing to do
their own clearing of lots,
parkways and sidewalks of
debris and obnoxious weeds
get busy this weekend as
city crews will start their
work this coming week.

Mr. Ludden noted that
the city would prefer that
property owners do their
own clearing to prevent any
of the misunderstandings
that have arisen in the past
and that if the clearing is
completed and debris re-
moved before city crews ar-
rive at the location that lot
will be bypassed and no
charge will be necessary
against the property.

However, the remaining
uncleared lots will be ser-
viced by the city crews and
the charges for such clear-
ing will be levied against
that property.

Further information may
be had by calling the Fire
Prevention office at 355-
1414.

2 Variances Granted

Sierra Madre Zoning
Board of Appeals granted
two variances at its meeting
last Thursday night.

The first variance was
granted to Arthur G. Beggs
for a reduction of rear yard
setback from ten feet to four
feet one and one-half
inches in order to accommo-
date a single family resi-
dence with an attached car-
port. The property is located
at the southwest corner of
Montecito Ave. and Coburn
St.

The variance was granted
by a 4 to 1 vote with Com-
missioner Buchan casting
the negative vote.

The second public hearing
was held concerning a con-
ditional use permit for a
new library building to be
erected at the Alverno
Heights Academy, 200 N.
Michillinda Ave.

This conditional use per-
mit was granted by a uni-
anymous vote.

Officials of the academy
announced that they would
also take under considera-
tion, a suggestion by the
commissioners to install
sidewalks on the south side
of Grand View bordering
the academy. It was
thought the work could be
completed within one year.

The next meeting of the
commission will not be held
until July 11, as the next
regular meeting date would
fall on a holiday, Fourth of
July.

Too Late
Wait too long for your
ship to come in and you
won't be able to navigate.

PERSONALS
DEAR RIC — I keep hear-
ing about The Plaza Shop,
but I can't find it. They
say it's at 39 E. Monte-
cito, across from a lum-
ber yard in Sierra Madre,
but where the heck is that?

They say Trudie of Calif-
ornia Fashion Designers,
sells dresses there priced
from \$5 to \$105.

Please send me a map —
LIZ
P.S. Beg pardon. Your pic-
ture map just arrived.
Patio and flowers! Looks
rustic and relaxed —
That's for me.

MARY — I just cannot see
my way clear until about
noon June 22. If this is
satisfactory do not an-
swer — HONEST HARRY

Fire Call Tuesday 1:37 P.M.

Engine 424 answered a
fire alarm at 1:37 Tuesday
afternoon to 875 Skyland
Drive to the property owned
by Gordon L. Cann. The
run was made in three
minutes and 43 seconds and
upon arrival found that it
was a brush fire. The fire
was set in dry grass by a
spark was an electric
grinder. This is the same
location that a brush fire
was set in 1961, which kept
the firefighters out for over
a day, and was the fire that
created conditions that led
to the run off in the fall
that caused flooding of
much property in Sierra
Madre.

Eleven regular firefigh-
ters and two reserves an-
swered the alarm with En-
gine 423 and crew as stand-
by at the mouth of the
canyon. Truck 421 and 422
was also on the job with
the Forest Service inspect-
ing the clean up.

Due to the quick action of
those on the property, in
using a small garden hose,
the fire was stopped from
spreading until Engine 424
arrived. Approximately 250

gallons of water was used
in the mop up operation.
"This is the time of year
when brush is easily set
afire; it is almost like gun
powder," states Fire Chief
Charles Brown. "Do be care-
ful," he continued, "but
should the smallest fire
start in any brush area, call
the firefighters immediately
at 355-1401; even a minute's
time can save thousands of
acres."

Services Held For Wm. Sparks

Graveside services for 34-year-old William Louis Sparks, who passed away June 5, were held at 11 a.m. last Saturday, June 8, at Live Oak Cemetery with the Rev. Richard Anderson officiating.

Mr. Sparks was a student with the Division of Highways Training. He had resided in California for 31 years, with that time spent in the surrounding area, including Sierra Madre. Mr. Sparks' home state was Missouri.

Mourning his death are his wife, Gisela E. Sparks, of the home address of 1015 S. Mayflower Ave. in Arcadia, and two children, a son, Gary Sparks, and a daughter, Denise Sparks; his parents, Mr. and Mrs. John Louis Sparks of Arcadia; two brothers, John Sparks and Steven Sparks, both of Arcadia; and two sisters, Mrs. Norma Bachwansky of Arcadia and Mrs. Joanne Schifano of San Luis Obispo.

Services Held For Pauline B. Hurwit

Services were held this week for Pauline B. Hurwit, age 81, who passed away the earlier part of the week in a convalescent home after a lengthy illness.

She leaves to mourn her passing her husband of the home address and three sons Ralph G. of Monrovia, Sol of Arcadia and Dr. Martin Hurwit of Sherman Oaks. Three sisters of Los Angeles and 8 grandchildren and 3 great grandchildren.

She was a past matron of Eastern Star, Geba Chapter, Elmhurst, New York; past president of children's welfare league and secretary-treasurer until she became ill about a year ago.

Services were private and the family asked that in lieu of flowers that a donation be sent to Children's Welfare League of Los Angeles, 435 1/2 N. Van Ness, Los Angeles 90004.

Don't waste your time saving for a rainy day if you don't have enough to enjoy sunny ones.

Sierra Madrean To Norman, Okla.

Secondary school teachers of biology from Oklahoma, 19 other states and Puerto Rico will be on the campus of the University of Oklahoma from June 3 until Aug. 6 as participants in a Summer Institute in Biology.

Among them will be Sister M. Rasmussen, Alverno Heights Academy, 200 N. Michillinda.

Supervisor Dorn Thanks People

Supervisor Warren Dorn this week thanked the people of the huge 5th District for their support in his reelection and pledged continued pursuit of property tax relief and stronger state anti-smog measures.

Dorn, overwhelmingly re-elected, said he "deeply appreciated the confidence" of the voters.

"We must continue efforts in Sacramento to gain property tax relief through Assembly Bill 149, passage of which would reduce the tax rate by about 40 cents per \$100 assessed valuation."

Dorn, acting president of the County Supervisors Association of California, said also that Assembly Bill 357, a measure to control motor vehicle pollution "deserves the support of all the people of the county."

Weigh your words carefully if you wish to retain your balance.

It may be a good excuse, but it never accomplishes all that is expected of it.

LEGAL NOTICE

LEGAL NOTICE

SIERRA MADRE NEWS

NOTICE INVITING BIDS

Sealed proposals will be received at the office of the City Clerk, City Hall, City of Sierra Madre, California, until 10:00 o'clock a.m. on June 21, 1968, and will be publicly opened and read thereafter, for performing work as follows:

The demolition and removal from the site all the improvements presently on the property known as 2 West Sierra Madre Boulevard, City of Sierra Madre, construction of shoring necessary to support the existing roof of adjacent property presently supported by a party wall; removal of existing party wall at 12 West Sierra Madre Boulevard; construction of a new concrete block wall and connection of present roof structure; grading of property after removal of building complete with all foundations and all other items and facilities necessary for, and incidental to, a complete project.

BIDDERS ARE HEREBY NOTIFIED that, pursuant to the Labor Code, said City Council has ascertained and determined the general prevailing rate of per diem wages (including employer payments for health and welfare, pension, vacation and similar purposes) and the general prevailing rate of legal holiday and overtime work in the locality in which said work is to be performed for each craft or type of workman needed to execute the contract of said work, which contract will be awarded to the successful bidder. The general prevailing rates so determined are as follows:

CLASSIFICATION	HOURLY WAGE RATE
CARPENTERS:	
Health and Welfare — 26 cents per hour	
Pension Fund — 30 cents per hour	
Vacation — 15 cents per hour	
Foreman — Receives not less than 50 cents per hour more than the hourly rate of the highest carpenter classification over which he has responsibility, except "Pneumatic Nailer or Power Stapler".	
Carpenter — General	\$3.33

CEMENT MASONS:	
Health and Welfare — 25 cents per hour	
Pension — 25 cents per hour	
Vacation — 30 cents per hour	
Foreman — When three or more cement masons are employed on a job, one shall be employed as a Foreman and shall receive not less than 50 cents per hour more than the highest classification over which he has leadership.	
Cement Mason	4.84

LABORERS:	
Health and Welfare — 21 1/2 cents per hour	
Pension — 27 cents per hour	
Vacation — 20 cents per hour	
Foreman — Receives not less than 30 cents per hour more than the hourly wage rate of the classification over which he has leadership.	

Laborer	3.85
Asphalt Baker and Ironer	4.06
Asphalt Shovel	3.85
Pine Grader — Street Paving	3.85
Flagman	4.16
Laying Sewer Pipe	4.04
Making and Caulking of Joints	4.06
Operator and Tender of Pneumatic and Electric Tools	4.16
Watchman	3.19

OPERATING ENGINEERS:	
Health and Welfare — 30 cents per hour	
Pension Fund — 30 cents per hour	
Vacation — Holiday Savings Fund — 30 cents per hour	
Foreman — Receives not less than 35 cents per hour over the hourly rate of the highest classification under his direction.	

Asphalt Spreading and Mechanical Tamping Machine Operator	5.16
Concrete Mixer Operator — Skip Type	4.62
Motor Patrol Operator	5.26
Operating Air Compressor or Pump	4.38
Pavement Breaker Operator	5.16
Roller Operator	4.97
Screed Operator	4.97
Skip Loader Wheel Operator over 4 yd up to and including 1 1/2 yds.	5.16
Trenching Machine Operator (up to 6-ft. depth capacity, manufacturer's rating)	4.97
Tractor Operator — Dragtype Shovel, Bulldozer, Tamper, Scraper and Push Tractor	5.16
Universal Equipment Operator	5.26

TEAMSTERS:	
Health and Welfare — 35 cents per hour	
Pension — 30 cents per hour	
Vacation and Holiday Fund — 25 cents per hour	
Drivers of Dump Trucks	4.50
4 yds. — water level	
4 yds. but less than 8 yds.	4.53
water level	

FOREMEN: All foremen not herein separately classified shall be paid not less than 25 cents per hour more than the hourly rate of the highest classification over which they have supervision.

APPRENTICES: May be employed in conformity with Section 1777.5 of the Labor Code.

The general prevailing rates for overtime work in said locality for each craft or type of workman needed to execute said contract are determined to be as follows:

CARPENTERS: Double time for all overtime.

CEMENT MASONS: Time and one-half for the first three hours after the regularly-scheduled straight time shift, and all other overtime shall be double time.

All others shall be paid at the prevailing wage rates paid in the County of Los Angeles. It shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than the specified rate to all laborers, workmen and mechanics employed by them in the execution of the contract.

The city reserves the right to reject any and/or all bids, to waive any informality in a bid, and to make awards as the interests of the city may require. This notice is given by the order of the City Council, City of Sierra Madre, California.

Majors Win Challenge Game

In the annual Major and Minor League Managers and Coaches Softball game, the Majors, coached by Bob Jones, won the game 16-9.

The Pony/Colt Managers and Coaches challenged this winning team and the exciting game was played Sunday, June 2. The Pony/Colt Managers and Coaches, led by Joe Grippi, were the victors, Pony/Colt 20, Majors 5. Many bases were stolen and home runs hit. The winning pitchers were Joe Grippi and Ben Schmidt.

Bob Jones, pitching for the Majors, broke his little finger in the second inning and he was taken to St. Luke Hospital. A splint was put on the finger and Bob came back to play for his team.

Don't expect the world to give you the benefit of the doubt if there is none.

Robt. Fair USNR Aboard 'Repose'

Hospitalman Robert W. Fair, USNR, 19, son of Mr. and Mrs. J. R. Fair of 600 W. Sierra Madre Blvd., helped commemorate the 6,000th accident-free helicopter landing aboard the hospital ship Repose.

He is a crewmember of the Repose, currently on duty off the coast of Vietnam. The Repose provides mobile medical support for U.S. and Allied fighting men who are wounded in action.

Since arriving in Southeast Asian waters, the Repose has admitted nearly 12,000 patients. Doctors aboard the ship have performed more than 4,000 major surgical operations and sent nearly 7,500 patients back to duty.

Put your best foot forward, always — and you'll seldom step on the other fellow's toes.

It Takes Strong Legs For European Tour

Now, as the horse is to the rider and the dog to the hunter, the bike is to the cyclist and holds a very important, and dear, place in this "peddling creature's" life.

Affectionately known as "Tazio"—an Italian equivalent of the name is Tony—Lynn's 10-gear bike an "Idoor Asso" weighing 23 pounds and sporting light weight aluminum wheels as opposed to steel wheels. "Tazio" will sport special racing tires, which hold 100 pounds of pressure. These very thin tires are made of silk and are called "Sewups." Most of the touring group will have "Clinchers," a tire with more tread and having a tube.

Knowing how to repair your bike and take care of it is an essential requirement for the cyclist, and Lynn is no exception. She has not only taken "Tazio" apart screw by screw, but has put everything back together again with nothing left over. On her trip, she must also carry a tool kit which will contain three spare tires and all necessary tools for emergency repairs.

This unbelievably small kit—looking somewhat like a man's shaving kit—is attached to the underside of the big seat—which, by the way, looks a trifle uncomfortable. The necessary and slim tire pump is most compact and located, or more to the point, attached to the "down-tube" (We had to ask, too—it's just the extension of the post ("seat post") that the bike seat sits atop!) On the front of the bike is a bag (not much bigger than the tool kit) attached to the handle-bars and appropriately enough, called the "Handlebar bag" . . . This is for items that you may need during each day's ride—money, identification, sun glasses, and what have you. Hope they carry aspirin. In front of the handlebar bag, "Tazio" wears a "water bottle" which is a glorified thermos bottle with a plastic straw extending from the top. (See, they give you almost no excuse to stop and rest!)

If any of you have any doubts as to whether a gal who has been riding such a short time will be able to stand the pace of cycling through Europe—have no fears. This tall, slim young lady, who will be a senior at Pasadena High next fall, will be leading the riders as their navigator. She

Edith Sidner Succumbs

Mrs. Edith R. Sidner of 56 1/2 E. Sierra Madre Blvd. passed away June 5 in Pasadena Convalescent Hospital after a lengthy illness.

A housewife, Mrs. Sidner had lived in Sierra Madre for nine years. She was born in Missouri 78 years ago.

Surviving her death are two sons, Harvey F. Sidner of Buena Park and Robert W. Sidner of Levittown, Pa., and ten grandchildren.

The Rev. William Carpenter conducted funeral services last Saturday, June 8, at 1:30 p.m. at Ripple Mortuary. Interment was at Live Oak Cemetery in Monrovia.

Neighbors

Remember . . . Toy Loan Hours for the summer will start Tuesday, June 18. The new hours will be 10 a.m. to 1 p.m. on Tuesdays and Thursdays. The Toy Loan Center, located at Memorial Park, will be open these hours until school opens in September.

Home Businessmen give us

VALUES

nobody else can match

IT'S A FACT . . . our home merchants and service establishments give us a special type of Bargain every time we spend a dollar with them.

And no competitors of theirs in another town or city can give us . . . who live in this area . . . anything like as good a deal when we're shopping.

It's simple economics. The dollar we spend at home buys about the same goods or service that

it will buy anywhere else . . . but . . . to make every purchase at home a better bargain, we also get to share in, and to profit from the more prosperous community that larger trade volume naturally builds.

And this Extra Value . . . which we do not get when we spend our money in somebody else's community . . . is the real key to our own greater individual prosperity and enjoyment of life . . . and far more valuable in the long run than the merchandise we're buying.

It Pays to Buy Where You Live

These firms are genuinely interested in the future of our Community and your welfare . . . patronize them

Hospital To Build 85-Bed Convalescent

is anticipated, stated President Hobson, that construction can start this coming fall with opening of the extensive convalescent hospital wing in early 1969.

With the present 28 bed capacity of the Sierra Madre Community Hospital, with its modern laboratory, x-ray, pharmacy and adjoining medical center, the 85 bed expansion will give Sierra Madre one of the best equipped hospitalization facilities in San Gabriel Valley, stated Carl Hobson.

Patients who can be classified as needing further hospital care, though of a convalescent nature, can easily be wheeled to the new wing where hospitalization can be then continued efficiently at a much lower cost to patients. More

than that, stated Carl Hobson, care in the convalescent wing of the hospital might very well result in sufficient recovery to make general hospitalization unnecessary for many persons not yet hospitalized.

Expanded hospital care, now being planned and now assured by the generous May de Wright bequest, will add materially to the general medical service of the nearly fifty physicians who are members of the Sierra Madre Community Hospital staff, physicians whose offices are located in many San Gabriel Valley cities in addition to Sierra Madre.

Dr. William E. White, Sierra Madre Medical Center physician and chief of the hospital staff, expressed delight at the announcement of the planned construction of the convalescent hospital wing.

FROM THE Fire Side

Well, Summer is about here and you can now expect to see the firefighters answer fire calls in swimming suits, tuxedos, and shorts, all with or without shoes. Nevertheless, the boys will still keep up their record even though they may be caught in their scanties.

For some reason or another, and actually nobody knows, or cares, but Engineer Lee Graves, and Public Relations Officer Evans have a little contest going on between them. And truthfully, I hope they have fun, personally, I don't see the point, but . . .

At the present time Evans has driven the first engine to a fire call ten times, while Graves has only racked up five. The thing that really troubles me is that out of twenty-one calls this year, this leaves only six to be divided up with the rest of the 22 men . . . of course we all know what a pig is . . . but a hog is something else.

Just to find out what a HOG really is and how he acts . . . upon investigation we find that Graves has driven the second truck 7 times and Evans 4 and the way I figure it that don't leave much of anything for anybody, because the second truck was held in the station as standby unit 7 of the 21 calls.

This Friday, the boys will set their plans for their Fourth of July Picnic. This year it will be held at the Monastery, with plenty of good games to keep the firefighters and their families busy throughout the day. This, of course, provides plenty of food for all.

We see that Firefighter Burleson is now putting in his time as Fire Inspector No. 1. Now that's a fairly rough job, especially in the middle of the day when we have a fire call, and he has to check out the time clock from one job to another, but Don can do it, he has been the Secretary of the Firefighters for almost two years and he is well acquainted on the art of manipulation of figures . . . but HE always comes out right.

Councilman Untangle Delinquent Acct.

parently received on January 3, 1968.

February Invoices
Warrant No. 8949 in the sum of \$425.00 payable to NCR was for the rental of the NCR machine.

Warrant No. 8931 in the sum of \$234.68 was payable to Halprin Supply Company. This warrant was supported by invoices received on two different dates, one in January and one in February.

Warrant No. 8933 was in the sum of \$293.56 and payable to Industrial Office Supply. This was supported by items received on seven dates extending from January 30, 1968, to April 23, 1968.

Warrant No. 8944 in the sum of \$12.07 payable to Los Angeles County Health Department was dated February 14, 1968.

The remaining four warrants were either considered not particularly late or a satisfactory explanation was received for the holding up of payments. We were given no explanation whatsoever for the late payment of warrants Nos. 8932 and 8972. All other items were satisfactorily explained.

There were rumors that the City received notice from the telephone company that unless payment was received within a few days the City's telephone service would be discontinued. We found these rumors to be untrue. We investigated warrant No. 8000 and its supporting documents because of an alleged notice from a collection agency that unless the assignee's claim was not paid immediately a lawsuit would be forthcoming. Upon examination of the warrant it was found that the warrant had been cashed and paid prior to the date on which the notice was sent to the City.

It is our conclusion that the City is not particularly delinquent in the payment of its bills; however, from the interviews we found that the internal organization of the City's bookkeeping department is in a sad state of affairs. There appears to be no one in charge of the bookkeeping department, nor is there any system of control and checks concerning either the payment of bills or the specific duties of the personnel in that department. We found that the recording and payment of bills is somewhat divided between two machines (Burroughs and NCR) and two City employees. We further found that there is but one member of the City personnel capable and willing to utilize the NCR machine. We also found that no other personnel would use the NCR machine, and, finally, that the NCR machine, for which a monthly rental of \$425 is incurred, is only utilized to a very small portion of its capabilities.

From our investigation we drew the following conclusions and make the following recommendations. First, we recognize that the City, because of an abnormal change in personnel and government, has undergone a rather traumatic experience which, of necessity, had its effect upon its internal organization. We recognize and commend Beth Thomas for a job very well done during that period. We feel that when our new City Administrator assumes his position on June 10th, 1968, many of the existing problems will be eliminated. We feel that the enactment of Ordinance 816 and the appointment of a Finance Director will be of tremendous help. We further feel that if this ordinance had been enacted when originally proposed to the prior City Council, many of the existing problems would have been eliminated. We therefore urge the appointment of a Finance Director at the earliest possible time.

We recommend that the use of the Burroughs machine be terminated and that all further records be placed on the NCR machine. We strongly recommend that additional personnel be taught the use of the NCR machine, and we recommend that the duties of the individual personnel in the bookkeeping department be clearly delineated. We finally recommend that all documents received by the City be date and time stamped.

Respectfully submitted,
Councilman James Nikoloff
Councilman Jack Simons

Letters To the Editor

Dear Editor:

It has become apparent that the news media, and certain politicians, are determined to place the blame for the recent assassinations on gun ownership and, as they call it, "a sick society." Let's clear the record now. J. F. Kennedy's killer was a known communist. King's alleged killer was an ex-convict with a record as long as your arm. R. F. Kennedy's assailant was not an American citizen, and reportedly pro-communist. Does the press do more than barely mention these facts? It is inconceivable to think that men such as these represent American society. Madmen and criminals would easily obtain a firearm, a knife, or a bomb through underground sources no matter how many control laws were passed. More controls would only mean that the true American would be disarmed and unable to protect his family from the rioters and anarchists. Or do you suppose this is exactly what the leftists really want when they press for more gun legislation?

Isn't it a plain matter of fact that Sirhan Sirhan totally ignored California's strict law concerning concealed weapons? People who need to be checked in firearm matters invariably ignore the laws — and there are many just such laws.

A sick society? Not the masses, certainly. Let's put the sickness label where it belongs, and it had better be done now. The sickness is the malevolent, twisted and contorted news media. The sickness is a Supreme Court which coddles and promotes communism, and does not allow policemen to enforce the laws already on the books.

The time has come! Let's stand up for America!

S. R. BROCK

There are many ways to get the measure of a man, but easy credit is one of the world's best intelligence tests.

Do It Now

Saving is a good habit, but don't save all your good deeds for the future.

St. Rita's Guild Installs Officers

Installation of newly elected officers of St. Rita's Guild, Sierra Madre, was held at the last regular monthly meeting in the school hall, June 4. Luncheon was prepared by the non-school mothers under the chairmanship of Mrs. Charles Norman and Mrs. George Throop.

The Rev. Thomas O'Malley, pastor opened the meeting with a prayer, the salute to the flag and a salute to the cross. Mrs. Ralph Alfieri presided over the meeting and concluded her year as the president of the Guild.

To install the new officers for the coming year, Mrs. Malone introduced Sister M. Corrine, school principal. As each officer was installed, she was presented with a wooden cross and a rose, symbolic of the life of the parish patroness, St. Rita. Officers who were installed were president, Mrs. Edward Grzegorzewski, first vice president, program chairman, Mrs. John Bigley; second vice president, sacristan, Mrs. Michael Soho; third vice president, refreshment, Mrs. Peggy Pineda; fourth vice president, ways

and means, Mrs. James Vorhovek; recording and corresponding secretary, Mrs. Eugene Malone; membership and hospitality secretary, Mrs. Joseph Lovano, and treasurer, Mrs. Robert Crow.

Summer Swim Classes Begin

Registration is now open at the Pasadena YWCA, 78 North Marengo Avenue for summer activities for girls and women. New classes in swimming for pre-schoolers through adults may be selected along with the following: creative dance; "Mommy and Me" exercises for coordination and development of children age 2 to 4; dog obedience; guitar; swim team and ballet workshop.

Adults may choose between classes in Keep Fit, Aqua Gym, Hula and Tahitian Dance, Yoga, Tai-Chi 'Chuan (Chinese Health Exercises), Synchronized Swimming, Preparation for Childbirth, and a High Sierra Pack Trip.

Jr. High girls will have a special program July 9 through August 15, from 1:30 to 4:30 p.m. which will include tumbling, sewing, swim lessons, tennis, gourmet cooking, guitar, job training skills and special beach trips.

Summer Carousels for girls age 6 to 12 will be held from 9 a.m. to 3:30 p.m., Monday through Friday, with special trips by bus planned for Fridays. The daily program includes swim lessons, sewing, crafts, creative drama, sports, home economics and parties.

The YMCA Massage and Steam Department will increase hours for the summer. Appointments may be made by telephone. Call 793-5171 for further information.

Pasadena City College Summer Classes For Adults Begin June 17

A varied summer program of non-credit classes for adults will be offered by Pasadena City College at several locations during the two six-week summer sessions, according to L. Herman Smith, dean of Community Services. The first session runs from June 17 through July 26, and the second from July 29 through September 6.

On the PCC campus the classes include citizenship, English as a second language, business machines, shorthand, typewriting, photography, machine shop, plumbing and sheet metal apprenticeship, welding, reading development, writing for publication, Spanish, College - Community Symphony Orchestra, and key punch. A new class in contemporary non-fiction taught by Mr. Bobker Ben All will feature discussion

of McLuhan and Cybernetics.

At the Allen Center, 1960 N. Allen Ave., there will be a full schedule of art, music, and clothing classes for the first session only. The art offerings include drawing and painting, landscape, oil, portrait and watercolor. In music there will be classes in organ (beginning, intermediate, and classical) and piano (popular and semi-classical).

The Senior Center classes, at 84 E. Holly St., include lip reading, drawing and painting, Challenge of Maturity, creative writing, public speaking, Spanish, and music appreciation.

Parent education classes for parents of pre-school children will be held at several locations in the Pasadena Area Junior College District.

The new Community Adult Training Center at 1450 N. Lake Ave., will offer clerical-secretarial training, Civil Service preparation, and power sewing immediately, and other classes will be added as soon as facilities are completed.

Other sites for classes include the YMCA, YWCA, and the Furniture Repair Center (2226 E. Colorado Blvd.).

Driver education will be offered in six-week sessions at the Pasadena Municipal Court, Room Division 1. Also a special driver education class for senior citizens is scheduled at California House, 820 E. California Blvd.

A complete brochure of classes may be secured by telephoning the Office of Community Services, Pasadena City College, 795-6961, Extension 261. Registration will take place in the classroom at the first meeting of each class. There is no tuition fee.

For admission to college credit classes at the PCC campus, students are requested to come to the Admissions Office, Room 108C, prior to June 17.

From Within

Be honest—true reflections come from thinking, not looking into mirrors.

You and Your Neighbor

by NANCY BRYAN

Happy birthday greetings are in order for Miss Barbara Hezlep who was four years old on June 6. Herb and Liz Hezlep helped their daughter observe her natal day with a family birthday celebration with just Herb, Liz, Doug 10½, Nancy 9, Carolyn 7½, and paternal grandmother, Mrs. Gertrude Hezlep of Arcadia.

That nasty ole virus bug is no respecter of anything! Birthday picnic for Kathy Asher, who was 8 on June 5, had to be postponed. Hope you're soon feeling better and able to celebrate with your friends. Happy birthday, anyway. Kathy is the daughter of Mr. and Mrs. Jerry Asher of Gatewood Terrace.

Igor de Kansky, one of many fine Creative Arts instructors, is busy planning for an art show at the Valley House Gallery in Dallas, Texas. The show will be in July sometime and Mr. de Kansky will show some of his lacqued murals. Wife, Helga, who teaches ballet, has been asked to create the choreography for a ballet, "Design for Six," for the Ballet Des Arts at the Pasadena Playhouse.

Happy 55th Wedding Anniversary (June 4) to Earl and Tessa Knowles of 168 Santa Anita. They celebrated by packing a picnic lunch and driving up the Angeles Crest Highway until they found a likely picnic spot. An associate of Earl's, on hearing that it was his 55th Wedding Anniversary, commented "55 years with one woman... that's really something. How can one man spend 55

years with the same woman." Earl, well known for his witty repartee, replied, "Before that I spent 18 years with one woman." After the gasps had died down, Earl added, "My mother."

Best wishes to you both for continued happiness and many more anniversaries together.

Cystic Fibrosis Guild Meets

The Cystic Fibrosis Guild meet at the beautiful home of Mrs. Gordon Wright on W. Haven Road, San Marino for their annual buffet dinner and a program featuring installation of officers for the coming year.

Mrs. E. Talbot Callister, Mrs. Dominic Giangregorio, and Mrs. Forrest Paxson were co-hostesses for the lovely affair.

New officers for the coming year are: President, Mrs. Henry Smither; first vice president, Mrs. Richard Fox; second vice president, Mrs. Matthew Slavin and Mrs. Eugene Rode; third vice president, Mrs. Richard Eschenshade; corresponding secretary, Mrs. David Zinsmeyer; recording secretary, Mrs. Anthony Boland; treasurer, Mrs. John Thompson.

Also, chairman of the Robins, Mrs. Wells Pleas; publicity chairman, Mrs. Charles Haver; party chairman, Mrs. Charles Hardison; bridge tournament, Mrs. Gordon Wright; Bargain Cottage place ment, Mrs. Bradley Brown, and program chairman, Mrs. George Mannschreck.

Summer Reading Club At Library

The Sierra Madre Public Library invites all young Sierra Madreans to the library during the summer vacation to enjoy the good books available. The Children's Room will conduct a Summer Reading Club for any second through seventh grader who reads at least one book a week for six weeks of the summer. The library will list the books the club member most enjoys and record his progress on an "Enchanted Journey" chart.

The Summer Reading Club will begin the week after school is out; no registration is necessary; boys and girls may participate any weekday between 11 a.m. and 5 p.m.

Mrs. Gloria Hinshaw, children's librarian, will be in charge.

Income/Tax Ratio In Calif. Needs Improvement

Among the 10 leading industrial states, California ranks first in taxes, but fourth in personal income. This makes it essential for legislators to curtail spending and be careful in expanding taxes.

Using 1965-66 statistics, the most recent figures available from all states, California ranks first in property taxes per \$1,000 of income, first in revenues from other sources, and second in other taxes. It ranks fourth in personal income but first in per capita expenditures for all government including education and welfare. It is third in long term debt on a per capita basis.

Since 1965-66, however, there have been several major bills which will merely increase California's tax dominance. In the 1966 special session, Medi-Cal was added. In 1966 and 1967 school finance was expanded through AB 52 and AB 272. The total state tax structure was expanded in 1967 with SB 556.

This year New York has completed a major tax expansion but figures are not available for comparison and it probably will be at least two years before sufficient data can be prepared for comparison of New York and California, the two largest states. Comparisons become difficult because nationwide data is at least two years late and in the meantime several states have made tax changes.

TRANSIT TOPICS

News and information about your public-owned transportation system, published in this newspaper as a community service from the Southern California Rapid Transit District.

by
ARTIE DEE
Transportation Editor

Square hats robes, diplomas, it's that time of the year again. Graduation is an important event and it becomes even more important if family, friends, and relatives attend. RTD can make his or her graduation extra special by providing the transportation for you to attend. RTD's lines service dozens of schools in four counties, and just possibly the school you are interested in. Send for a system map and plan to attend. It will bring back some fond memories.

June 1st, the RTD started offering tokens at 25 for \$7. This provides a saving of 2 cents per ride and eliminates much of the need for cash. Tokens will not replace the monthly pass but rather, provides the person who rides occasionally with a saving, too. The tokens will NOT be sold by the bus operators, but only at the District's ticket offices. Send for a brochure of agencies that handle tokens and monthly passes in your area.

Mother had her day; now it's Dad's turn. This is the time of year Dad get to do the dishes after the meal in his honor. I remember last year, instead of eating at home, they took me out, and I paid the bill. This year you could take Dad to Knott's Berry Farm for a mouth watering chicken dinner and some of that boysenberry pie. You might even take him to Ports O' Call Village, with its many fine restaurants and shops. Dad isn't going to fuss over your choice, as long as you want to take him. Send for a system map and let RTD take the worry out of getting there.

Q. Could you tell me what bus to take to get to Dodger Stadium from Alhambra? J.B.

A. Take the 52 bus to Spring Street and transfer to the 177 to the Stadium. I'll send you timetables and a map.

Q. Please tell me how to get from Valley and Rio Hondo in Rosemead to San Antonio Avenue in Upland. I want either Foothill, Arrow or Baseline. R.M.

A. Take the 53 line to El Monte Station; change to the 60-G and ride to Arrow and San Antonio.

Q. Tell me how to get to Santa Monica Boulevard and Western from Colorado and Marengo in Pasadena. C.A.

A. Take the 31 line on Colorado and Arroyo to Hollywood Boulevard and Western; transfer south on the 84 line to Santa Monica Boulevard. This route goes through Eagle Rock and Glendale.

Q. Is there any way I can travel by bus from Huntington and Sunset to Fremont and Mission? R.D.W.

A. There sure is. Take the 68 bus going west on Huntington Drive to Huntington and Fletcher Avenue. Transfer to the 79 bus to Garfield and Main and transfer again, west on the 17 line to Fremont and Mission.

Send your questions to Artie Dee, Transportation Editor.

Send your questions to Transportation Editor, Artie Dee, care of this newspaper. All questions will be answered in the column, or by mail. A system map will be sent FREE to each person writing in. NO STAMPS OR STAMPED ENVELOPES ARE NECESSARY.

Our 20th year
in Sierra Madre

Out of the Cobwebs

Two Sierra Madre young people received diplomas at the Throop Institute commencement exercises, Miss Baybelle Caley in the commercial course, and Mr. Milton Steinberger in the academic course.

Mrs. Greer Caskey and son, Harry, Miss Winifred Graham, Mr. Harry Emerson and Miss Fannie Emerson left Tuesday for the Sierra Madre Outing Club's cabin at the West Fork. They will be joined on Friday by Mr. Greer Caskey and daughter, Miss Gladys.

Will Tufts leaves today for Holtville after spending the school year in Sierra Madre while attending Throop.

Sugar is way up, but we will give you 16 pounds of the best cane sugar for \$1 up to and all day Tuesday. O. K. Cash Department Store.

Forty Years Ago: June 15, 1928

The First Congregational Church of Sierra Madre, on the southeast corner of Central and Hermosa Avenues, is to be dedicated Sunday, June 17.

Miss Rosemary Miller, daughter of Mrs. Bertha Miller, 439 Mariposa Ave., is among the graduates of 1928 at the Alhambra High School, where she was enrolled as a student before coming to Sierra Madre to make her home.

Dr. Rose, the well-known nature healer and a former canyon resident, was a visitor during the week. Dr. Rose has just finished a very successful health campaign in Long Beach.

Officer Gordon McMillen was given two weeks leave of absence by the City Council, his annual vacation. His place will be taken by George Cox.

Miss Dorris Bayard, daughter of W. W. Bayard, 305 E. Laurel Ave., is one of the graduates from Broad Oaks kindergarten training school this year.

Mayor and Mrs. Wilbur F. Thayer Jr. left yesterday for an eastern trip. They will go as far as the Atlantic Coast, expecting to be absent about a month.

For Sale: Beautiful Walnut Grand, new. Special \$435.00. Martin Music Co., 734 S. Hill, Los Angeles.

Ten Years Ago: June 12, 1958

Police cited a 12-year-old Sierra Madre girl this week for her intelligence and ingenuity in putting out a fire in her home.

The youngster, Beverly Roane, daughter of Mr. and Mrs. George Roane, 145 Oak Meadow Road, called police at 5:42 last Sunday and reported a grease fire. Her parents were away at the time. By the time the

police car arrived, Beverly had doused the fire with a carbon dioxide extinguisher. She said she had learned how to use the extinguisher in a class in school on fire prevention. "Beverly," the police report said, "showed extreme intelligence and ingenuity."

W. Murray Hawkins, a former City Councilman, was appointed city treasurer by the Council Tuesday night to succeed Carlton Pegler, who recently retired after 44 years' service.

The Earl Knowles refreshed themselves with a four-day trip to Yosemite, motoring back home Monday. Mr. Knowles is a salesman for Sunset Homes and he conjures up those catchy ads on the News' classified page.

Mr. and Mrs. Earl T. Knowles celebrated their 45th wedding anniversary while in Yosemite. The Knowles were married June 4, 1913, at Tecumseh, Neb., and came to Sierra Madre 14 years ago.

"Sierra Sam," a synthetic man created by Sierra Engineering Company for the sole purpose of saving human lives, appeared on the TV show, "You Asked For It," on Sunday, June 15.

LEGAL NOTICE

SIERRA MADRE NEWS NOTICE OF INTENT TO DEED TO STATE

In pursuance of law, public notice is hereby given that, on the 1st day of July, 1968, at the hour of 8 o'clock a.m. of that day, the undersigned Tax Collector of the County of Los Angeles, at his office in the City of Los Angeles, State of California, will deed to the State, unless sooner redeemed, or an installment plan of redemption is initiated as provided by law, the real property herein-after described upon which date five or more years will have elapsed from the date of the sale of said property to the State. The amount for which the deed will be issued will be the total amount due for which it was sold to the State, said amount being set forth in dollars and cents opposite the description of the property. If the property is redeemed to the State, the right of redemption will terminate upon any subsequent sale by the State. All information concerning redemption or the initiation of an installment plan of redemption will, upon request, be furnished by Harold J. Ostly, County Tax Collector, 225 North Hill Street, Los Angeles, California 90012.

Dated this 13th day of June, 1968
HAROLD J. OSTLY,
Tax Collector of the County of Los Angeles, State of California.
As provided by law, the State shall have the sole authority to receive all rents, issues and profits arising in any manner from property so deeded to the State. Meeting of Auto

In the meeting were: Col. John P. Stapp, National Highway Safety Bureau, Washington, D.C.; Mr. Hal Waters, National Bureau of Standards, Washington, D.C.; Mr. William Cichowski, General Motors Corporation, Milford, Michigan; Miss Julie Auerbach, Chrysler Corporation, Chelsea, Michigan; Mr. John Starkey, Ford Motor Company, Dearborn, Michigan; Mr. Hans Jakob, UCLA, Los Angeles.

Also Mr. J. S. Patten, Cornell University, Buffalo, New York; Mr. H. T. E. Hertzberg, Wright-Patterson A.F.B., Dayton, Ohio; Dr. Robert M. White, U.S. Army Natick Labs., Natick, Mass.; Mr. S. W. Alderson, Alderson Research Labs, Stamford, Conn.

Sierra Engineering Co. was represented by Mr. Charles Arthur, product manager for the dummy department and by company engineers Mr. Mel Melzian and Mr. John Wippler.

Aaron Bloom, Sierra's president, welcomed his distinguished group of guests at luncheon on Tuesday.

Camp Fire

processional and subsequent ceremonial. Guardian of the fire was Mrs. Robert Englert who made the acknowledgement of rank. District chairman, Douglas Fraser welcomed the many parents and friends. Mrs. Robert Gray, Sierra-Hastings District Director, presented service awards and the recognition of annual and national projects.

Groups earning the rank of Trail Seeker were: Moki Tanda Hada, I Yus Ki Ya, and O Da Kon Ya Wa; Wood Gatherer: Kani Ta Shuta, Wee Os Sa Kana Wa and Ta Wasi Tanda.

Fire Maker: Ga Ula Ya Ina, Konda Wa Ki Tuk, and Oda Konya La Lua Ci; Group Torch Bearer: Tonda Ko Da, Ki Da Ka, Ku Ne Ki Ak Ta Tci, and A Ki Ta Can Da.

Three Horizon Club girls from No Ki Gah Lee La He (senior high) received service certificates for 25 or more hours of volunteer service.

This year's theme for the Council Fire was "Building Girls" with the meaningful symbolgram made up of the symbols for "our hands, our thoughts and our hearts helping girls to grow."

Yeats Families To Portola On Fishing Holiday

The Jay Yeats and Carl Yeats families spent the Memorial Day weekend at a cabin in Portola, California — about 50 miles from Reno.

Leaving Wednesday afternoon, driving up in two cars were: Carl and Iris Yeats and sons "Buster" (15) and Rodney (13); Jay and Wanda Yeats, their son, Mark (15) and two of their triplets, Annette and Suzette (19). Other member of the triplet trio, Paulette, had to work at her job as a Girl Scout Counselor at Camp Singing Pines in the Angeles Forest and was unable to accompany the family.

From all reports, the Yeates must have caught (and ate) practically all the trout in Lake Davis and Grizzly Creek. The creek, which runs into the Feather River, was most handy for fishing and our fishermen and fisherladies only had to cross the road in front of their cabin to reach the creek, a total distance of about 50 yards.

Rodney and Annette deserve some kind of fisherman's trophy for ingenuity. They found themselves left at the cabin without any fishing gear and by improvising with sticks, pins and string they managed to catch 21 small blue gill perch from the stream behind the cabin.

Out of all the trout caught, Mark brought home the biggest — 15 inches long! Catching the fish wasn't so hard; trying to keep it from being eaten by the family was the biggest feat!

Arriving home Sunday evening, tired and VERY full of trout, the Yeats families who deal in area real estate, all agreed they are anxious to make a repeat trip as soon as possible.

Dial-for-prayer, 447-6162

'Our Fathers' May 16 Sermon

The sermon of Rev. Anderson at Sierra Madre Congregational Church, this Sunday, June 16, will be, "Our Fathers." His text will be, "Husbands love your wives even as Christ loved the church, and gave Himself for it." Ephesians 5:25.

Rev. Anderson continues by saying: "Jesus taught his disciples what we call 'The Lord's Prayer,' in response to their request, 'Lord, teach us to pray.' In this prayer he prays: 'Our Father which art in heaven. Hallowed be thy name. Thy kingdom come. Thy will be done in earth, as it is in heaven.' Within scripture, God has set up instructions whereby His will may be done on earth. Long before there was a church or nations God planned the home. In the home God ordained the husband as its head. Unto the first woman Eve, God said; 'and thy desire shall be unto thy husband, and he shall rule over thee.'"

"We live in a time when such instructions are considered to be archaic and old fashioned even by many inside the Christian church. And yet, as has been true in all ages, when a man, or a family or a people, go against the laws of God, disorder and chaos result. We speak, in our society, of breaking the law, but in reality the stands sure and we break ourselves."

"This Father's Day is a time to stop and consider again the teachings of our Heavenly Father concerning our earthly fathers. Here is where we must start to pray aright, 'Thy will be done in earth as it is in heaven.'"

Baton Twirling Classes June 18

The Pasadena Department of Recreation is conducting classes in beginning, advanced and advanced intermediate baton twirling starting June 18 at the Jefferson Recreation Center, 1501 E. Villa St.

Miss Margaret Hess will instruct the classes in the basic an advanced routines and fundamentals of baton twirling. Miss Hess has won many championships throughout her career in baton twirling.

Registration must be made prior to June 14, at the Jefferson Recreation Center, 1501 E. Villa St., and other baton classes may be obtained by calling 193-9177.

Sunday Sermon Announced

Dr. Robert Amott, minister, has chosen as his topic, "A Certain Man Had Two Sons," for his special Father's Day sermon at the 11:30 Sunday morning worship service of the United Church of Christ Fellowship in Sierra Madre.

Dr. Amott will base his sermon scripturally on Luke 15:11-32. The UCC services are held in the Episcopal Church of Ascension, North Baldwin at Laurel. All are welcome.

Letters To the Editor . . .

Dear Editor:

I have just read, with much interest, of the appointment of a new City Administrator for our lovely little village (however, alas, not so "little" any longer). After studying his many qualifications, I am sure that Mr. Boehm will be a good man for the job—I am particularly intrigued with his sojourn in Africa, in as much as we have so few Africans in Sierra Madre—one could count them on the fingers of one hand and then have a few fingers left—that would be true of many of our fine towns in Southern California. I have attended many of our town hall meetings during my residence here of 40 years and have witnessed many strange happenings, and one incident, with too much clarity, showing the bigotry that can stand back of some statements, stands out when the good sisters were negotiating for the purchase of the Barlow Estate on Michilinda Ave. One sage looking gentleman who lived on W. Grand View Ave. got up and said, "Why, we won't know what those nuns are doing over there!" and Lee Shippey, of fine memories, who lived there, got up and said, "That is true—they won't know what you are

doing, either." And I always felt that a pretty good statement for the issue. If we could not all settle down, etc., etc., as C. Martin suggests, and be a little more receptive all around, it would be better for all of us. I dread seeing our town batted around as it has been like an old shoe, which we know it isn't!

Sincerely,
—Elizabeth T. Armstrong.

Woman's Club Holds Luncheon

The board members of the Sierra Madre Woman's Club were entertained this week at a luncheon given by their recently elected president, Mrs. Henry Wade Sr. in her home at 609 W. Sierra Madre Blvd.

Business and social activities for the club year beginning in September were outlined.

"Music For Everyone," a program featuring light opera in the local community was explained by a representative of the organization.

Adell Perigyl, concert pianist and William Perigyl, operatic tenor, a husband and wife team, will work with the local operatic group.

SPORTS AS Hank Ives SEES IT

SPORTS SMORGASBORD . . .

THE L.A. STARS of the ABA will try a new gimmick next week that should be popular with the youngsters of this area. On Tuesday night, June 18 and Thursday, June 20, Bill Sharman's freshly signed collegiate hopefuls will play intrasquad games at the Star's homecourt, the Sports Arena.

Sharman and his boys will conduct a special basketball clinic prior to both contests. The gimmick is this: Everyone that is interested is invited free of charge. Aside from teaching youngsters the finer points of basketball and getting a chance to see the new Star players in action, the club is offering the kids a chance to join their youth groups which means free tickets to games of their choice throughout the season.

It looks like a good deal for the small fry. Sharman, Jim Hardy and the rest of the L.A. Star staff seems to be hustling every chance they get and it's my guess the fledgling franchise will make some solid inroads this year.

ISN'T IT GREAT to see Don Drysdale finally get the recognition that he really has deserved for such a long time?

PETE YODER selected some fine talent for his West All-Star team which will oppose the Eastern San Gabriel Valley preppers in the Glendora Rotary sponsored high school clash August 15 at Citrus Stadium.

From his own Blair team he has All-CIF stars Gerald Piers and Delton Lewis. Jim Oggs, Jim Johnson and Dennis Whan from Muir and Bob Harmon and Larry Mitchell from Pasadena.

PASADENA'S JIM MARSH has signed a pro basketball contract with the Seattle Supersonics. Chances are Jim won't make the club. His most notable problem of course would be lack of size for a front court man and not enough speed in the backcourt. If he should stick with the Sonics, it couldn't happen to a nicer boy.

SEEMS STRANGE to see PHS grid coach Tom Hamilton wheeling around the practice field in a golf cart. Tom recently underwent surgery on his knee and is slightly immobile.

CARL GRINSTEAD had a pair of nice winners at Hollypark last week. El Zapatero and Prosaic One.

each paid around \$15 as the grinning owner-trainer picked up the winner's check. Carl has decided to drop most of his horses into the good claiming races and has been winning consistently. Allowance company is really tough.

MICKEY MEGUIAR and his cronies picked up another pair of paychecks with their plater Barbeyron who had a third and second his last two times to the post. SOCCER FANS got their money's worth last Sunday at the Coliseum when the University of Mexico surprised Borussia Dortmund of West Germany, 2-0. The whole show was a reversal of personalities with the Germans showing fiery tempers and the Latins playing it cool.

OLD HANKUS PREDICTS that Jesus Pimental will knock out the Mexican banty champ Chu Chu Castillo in the first professional Forum fight Friday night. Little Poison is a tough cookie.

DETROIT AND ST. LOUIS now look like "good things" races. The Tigers are getting good chugging, a doubtful commodity before the season began. Minnesota, however, should not be counted out just yet. Old Hankus can't really see any team catching the Cards. Nope, not even his Cincy pre-season choice.

Sierra Madre Receives \$7,491.56

State Controller Houston I. Flournoy this week announced the distribution of \$134,228,343 among the state, cities and counties as the May apportionment of highway users taxes.

The County's share was \$3,367,132.28 and Sierra Madre's share was \$7,491.56.

A total of \$1,442,865 went directly to the counties; \$8,558,421 to cities; and \$114,227,057 for expenditures on state highways.

The total was derived from the following sources: gasoline tax, \$41,300,592; diesel fuel tax, \$2,170,402; by transfer from the Motor Vehicle Fund, \$89,752,893, and the balance from miscellaneous sources.

Money still talks, but it seems to have lost its commanding tone.

Faith and confidence ease folks over the ruts and pitfalls on the highway of life.

Maryknoll Guild Celebrates 15th Birthday

The traditional birthday cake and tea were served while the members renewed the years of purpose and accomplishment of the Maryknoll Guild on June 11 at Nazareth House.

When the Guild was organized in 1953 there were less than 10 members helping the Maryknoll Sisters physically and financially to maintain a few wooden cottages to care for tubercular patients. Their sincere dedication drew the interest of 150 members during the past years.

Through benefits, social functions and worthwhile efforts the little wooden cottages became a general hospital.

Mmes. Gerald Binnings, August Hahling and Donat Gladue were hostesses at this lovely social affair.

On May 17, Mrs. Edward Dougherty, president of the Guild, and her board members were entertained at a luncheon in the Rose Room of the hospital by the Maryknoll Sisters.

Doctor of Philosophy Conferred Upon Robert Allan Christmas

A degree of Doctor of Philosophy (English) was conferred upon Robert Allan Christmas at USC's 85th commencement exercises which were held on campus in Alumni Park at 10:45 a.m. on June 6.

Robert, born on July 12, 1939 in Pasadena and raised in Pasadena, is the son of Mr. and Mrs. Robert H. Christmas of 3610 Fairmeade Road, and the brother of 13 year old Laura Christmas of Pasadena, Mrs. Susan Walker of Pasadena and Mr. David Christmas of New York.

He attended Wilson Jr. High and Pasadena High and gives much credit to all his teachers for inspiring him. The new doctor of philosophy is also an alumnus of Stanford University, the University of California at Berkeley and the University of Southern California.

Bob and his wife, the former Renee Norton of Millford, Utah, are the parents of two children — Robert Norton Hockett Christmas (5) and Julia Christmas (10 months). The family makes its home in San Jose where Bob is an assistant Professor of English at San Jose State College.

Grandson of Mrs. Mable Christmas of Pasadena and

Villa Views by Toni

bid his pleasure. I must say there was kind of a whimsical theme with this rough and ready crew.

Inasmuch as Larry received several musical instruments the crew had a hard time sticking strictly to chores with an organ, drums, and horn to attract their attention. They weren't exactly the "Tijuana Brass" but they were no less enthusiastic.

By names the mates were Greg Harrington, Scott Morrison, Brian Tufeld, Brad Ware, Terry Boundy, Joe Kroboza, John Kroboza, Guy Masters, and of course older brother David Wayne and young Marcia.

Larry's party was followed a few days later by Marcia's third birthday. Her mother expected the second party would have a much more gentle swing, but the musical instruments became the immediate fascination of the younger set thanks to Marcia's older brothers and the two repeat guests John Kroboza and Greg Harrington.

By this time they were so proficient with the instruments they were able to show the other young people how to play them. Her other guests were Linus Kamb, Gill Roberts, and Bert Roberts, Hillary and Tracy Rinaldi were unable to attend but sent best wishes. On hand to help Bev were Barbara Roberts and Ann Harrington. After cake and ice cream and a rousing concert the children were all sent home with paint sets and coloring books as party favors.

Mrs. Charles Klingerman and I had the pleasure of honoring Miss Jacqueline Paquette and Miss Linda Paquette at a bridal

Elementary School Menu

35c TRAY LUNCH
June 10 - 13, 1968

Monday — Spaghetti, hard-boiled eggs, mixed fruit cup, dilly roll and butter, and milk.

Tuesday — Hamburger with dill slices and lettuce, green beans, applesauce, and milk.

Wednesday — Pizzaburger pie, mixed vegetables, vanilla pudding, and milk.

Thursday — Toasted cheese sandwich, vegetable (manager's choice), fruit (manager's choice), and milk.

Friday — SUMMER VACATION.
Menu subject to change.

Here Is How Your Tax Money Goes

A married man with two children earning \$10,000 a year pays about \$2,200 of that to the federal government a year in direct and indirect taxes, Tax Foundation, Inc., estimates.

Of that amount \$934 goes for national defense; \$614 for health, labor and welfare; \$168 for interest on the national debt; \$86 for veterans' benefits and services; \$66 for agriculture and resources; \$60 for international affairs; \$55 for education; \$53 for space research and technology; \$47 for commerce and transportation; \$33 for general government; \$29 for natural resources; and \$55 for miscellaneous items.

Those invited to attend were Mrs. R. L. Gibson, Jr., Mrs. Justine Smith, Mrs. R. H. Garretson, Mrs. Dale Hickey, Mrs. Margaret McEachin, Mrs. Henry Good and her daughter Gail, Mrs. Robert Gengrich, Mrs. Ralph Rogers, Mrs. Jim Germain, Mrs. A. J. Huber and Janet and Joanne, Mrs. George Amthor, Mrs. Ben Rogers and Rita and Carol, Mrs. John Wiles, Mrs. Arturo Gutierrez and Elena and Guillermina, Mrs. John Epard, Mrs. Robert Blaisdel, Mrs. Helen Frick, Mrs. Robert Box, and Mrs. Richard Schmitt. Also included in addition to the brides' mother, Mrs. Ralph Paquette and their sister Dee, were Jan Klingerman, and my two daughters, Sherri and Debbie.

It's a vicious circle—the present generation pays the debts of the last by issuing bonds for the next to pay.

Cinda Coulson New Cheerleader

Cinda Coulson, of this community, who has just completed her freshman year at the College of Idaho, Caldwell, Idaho, recently was elected a cheerleader at the college for its 1968-69 year.

She is the daughter of Mr. and Mrs. William H. Coulson Jr., 195 S. Canon.

he's earned it.

Being a Gas Company serviceman is no easy job. You have to be able to help customers in a number of ways, from adjusting an appliance to advice on how to seal the most flavor into a steak.

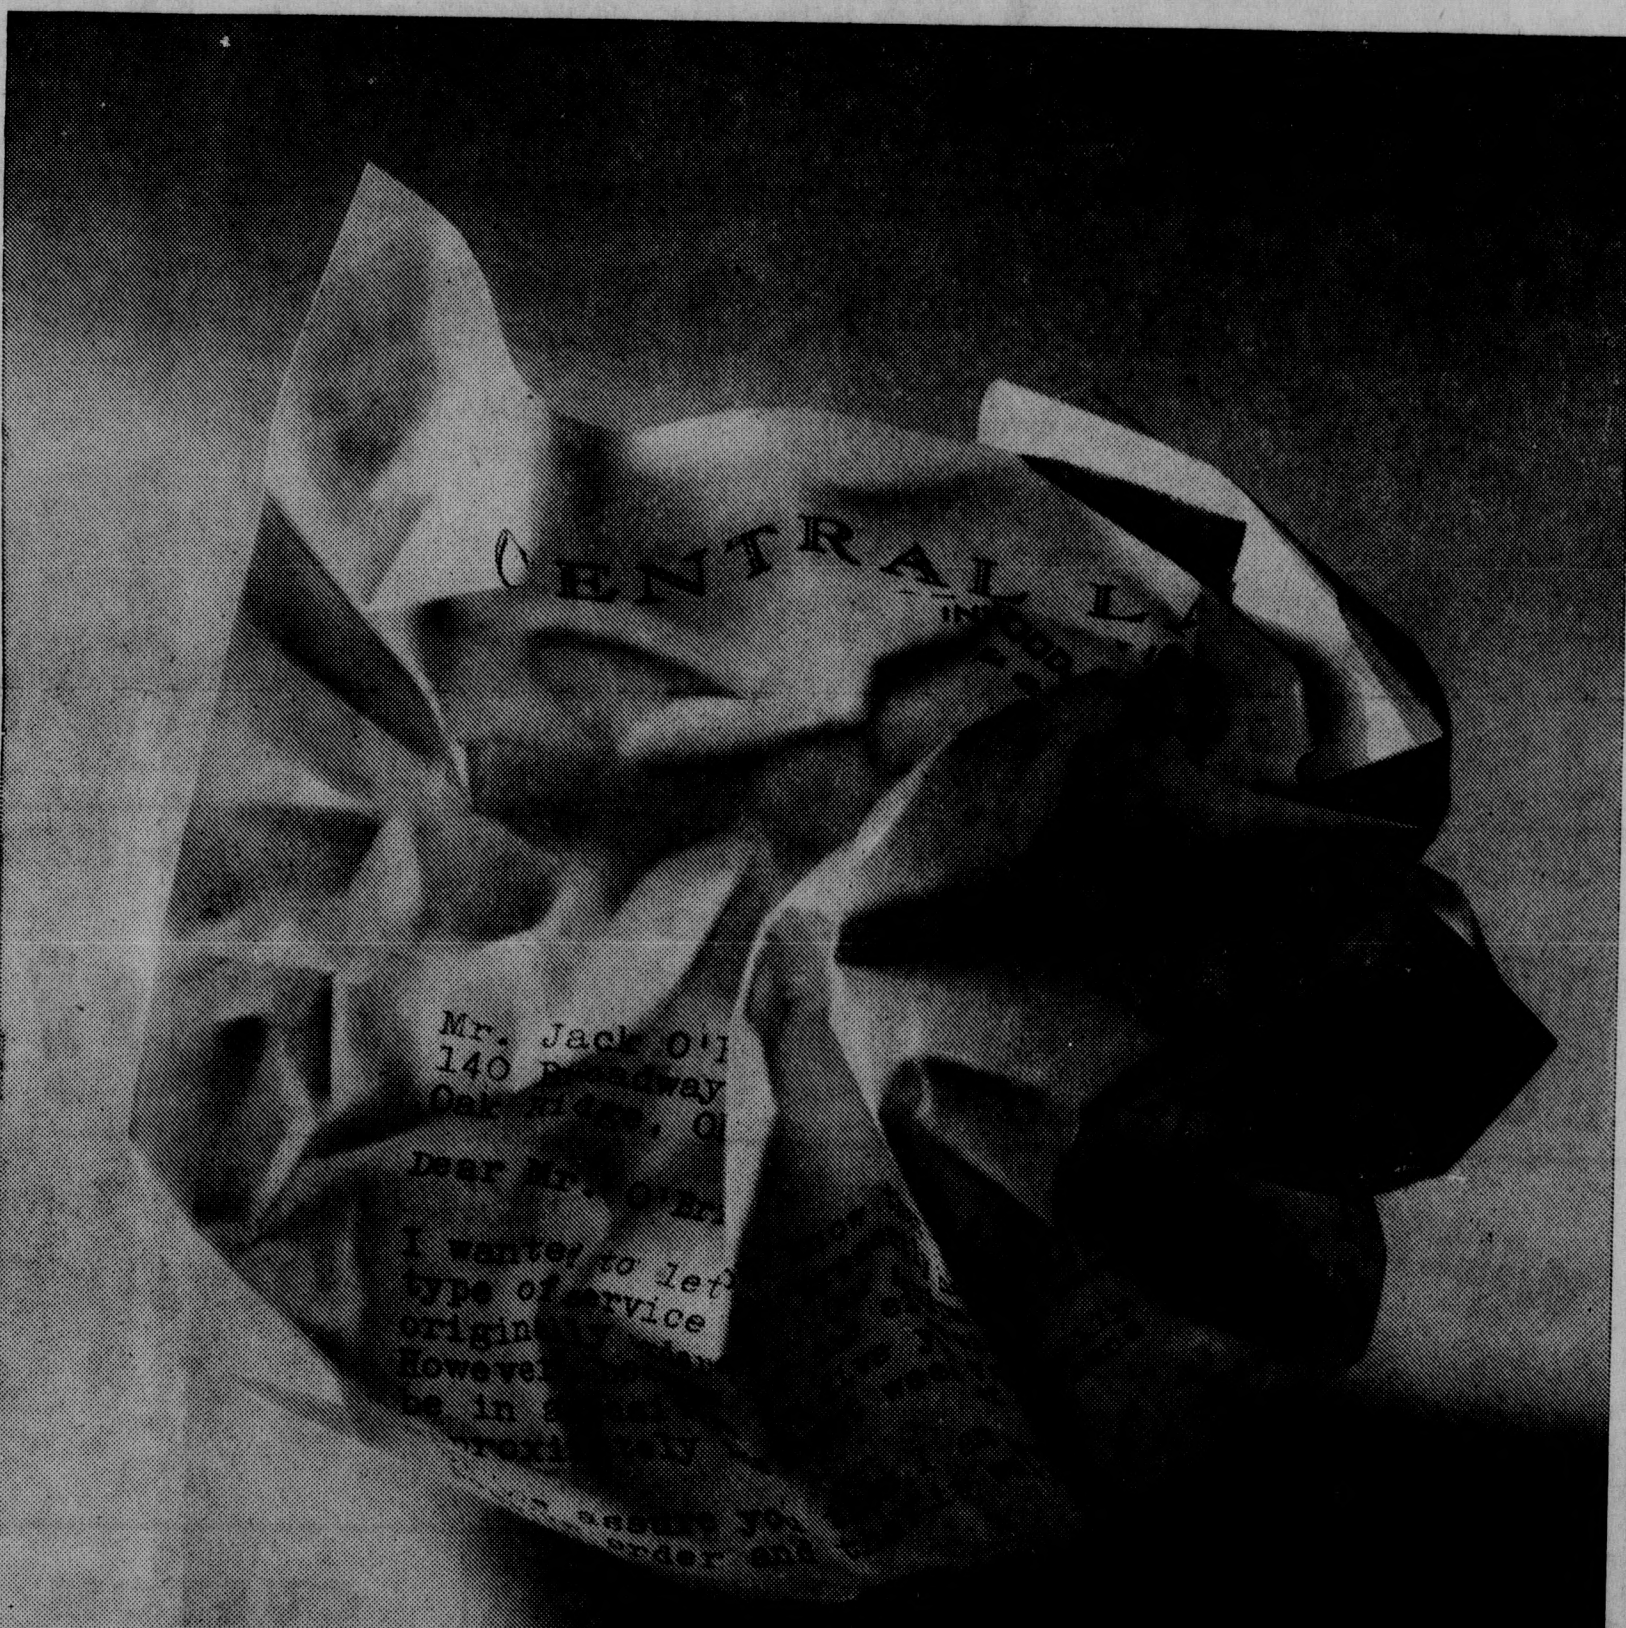

Our servicemen are well trained for their job. They have to be. We're an investor-owned company. And investor ownership is like having two employers. You have to satisfy customers, the people who rely on our service, by being efficient. And you have to be efficient to satisfy your owners. For they're the people who invest in our business and make the service possible.

This means we work hard all the time to give the best possible service, at reasonable rates. Investor ownership is that "extra step"—why we have servicemen who are extra courteous and skillful, as well as being efficient. It's the reason we look for economies in every way possible and have been able to reduce gas rates six times in the last five years.

And, when we can serve you well and make a profit, that makes everyone happy. For that's how we stay in business.

SOUTHERN COUNTIES
(Investor-owned Company of the Pacific Lighting System)

**Your letter got through,
but you didn't.**

You should have called him on the phone. Sure it's long distance. But it only takes a few minutes.

And in those few minutes you get a chance to state a clear case. Plus a second chance, every time you haven't been clear enough. You can perceive and persuade. If necessary, gently gently persist. You can laugh (you've got a great laugh). Maybe even do your Cary Grant imitation.

Then you know what happens? While you're being more than just another letter in the in-box to him, he starts being more than just a title at an address to you.

That's when you start doing business.

Call Long Distance when you really mean business.

Editorially Speaking ..

Fly The Flag!

Old Glory, The Star-Spangled Banner, The Stars and Stripes—your country's flag.

Fly it every day, if you wish, but be sure to fly it Friday, June 14. That's Flag Day.

It was on June 14, 1777, that the Continental Congress passed this resolution:

"Resolved, that the flag of the thirteen United States be thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new constellation."

No one knows who designed this flag, or who made the first one. William J. Canby said in 1870 that his grandmother, Betsy Ross, made the first one, but historians doubt it.

The Continental Congress left no record to show why it chose red, white and blue for the flag, but in 1782 the Congress of the Confederation chose these same colors for the newly designed Great Seal of the United States.

The resolution on the seal said red is for hardness and courage, white is for purity and innocence, and blue for vigilance, perseverance and justice.

And the flag itself?

"The Stars and Stripes stands for the land, the people, the government and the ideals of the United States, no matter when or where it is displayed."

Fly it proudly!

A Time to Relax

Very shortly that midyear period known as summer, which starts officially on June 21, will be upon us. For many, it holds a threat of the impending tragedy of riots and strife. One can only pray that these forebodings will prove baseless, that summer will once again be as it should—a time when the land is in full bloom.

In thousands of communities throughout the nation, people can look forward to a traditional summer. The lemonade stands will make their appearance along with the backyard hammocks and charcoal broilers. Long evenings will be spent in repose or porches and beneath favorite shade trees. The incomparable scenery of America will draw the usual millions to seashores and mountains.

In the days of dusty roads, barefoot boys and the old swimming hole, few were able to enjoy pilgrimages to faraway vacation spots. Those who do so now bear a heavy share of the responsibility for preserving the purity and beauty of our environment. Actually, summer is no different now than in the days of Mark Twain, and we should enjoy it.

No One Escapes

Civil disorders have virtually wrecked large areas of many American cities. Pictures show riot-torn streets, buildings demolished, stores gutted and police standing helpless while hoodlums make off with stolen merchandise by the carload. Reporters have accurately termed these civil disorders "the other war." Most of us, when we read the news about a riot in a city a few hundred or a few thousand miles away, tend to thank providence that we have escaped the unpleasantness. But have we escaped? We most decidedly have not.

Just as we all have a stake in the tragic cost of the war in Vietnam, so we have a stake in "the other war." We should think about this the next time we see or read of looting and burning. It may not be our own property going up in smoke or being carried off by vandals, but we will be paying part of the cost of both the lost property and the forces of law and order that must be called upon to bring the destruction to an end.

They Don't Like Abundance

Strange as it may seem, there are those who believe there is too much competition in the marketplace. They believe there is too much choice on the store counters. They believe that all of our abundance merely confuses consumers, and steps should be taken to relieve this confusion by limiting the choice, regulating competition and decreasing the display of fewer products. This dissatisfaction with abundance is truly amazing.

The exponents of economic retrogression may want to go back to the good old days, but they will have a hard time talking the rest of the country into following them. As an advertisement of the Magazine Publishers Association points out, "In the 'good old days' grandpa worked twelve hours for the price of an 18-pound turkey. Today, he works only 3.2 hours. He worked forty minutes for a loaf of bread. Now it takes only five minutes.

Who is to say that 8,000 items on the shelves of a supermarket are too many, or too few — or that the price is too high or too low? No one can answer these questions better than the consumer exercising the unrestricted right of free choice in the marketplace.

Flag Day 1968

The calendar tells us that we soon will be observing Flag Day. This year it falls on June 14. Every U.S. citizen should be proud to look upon the American flag as the greatest national symbol ever unfurled from any standard. It represents a nation formed on the unprecedented principle that the powers of government are derived from the people. The U.S. flag exalts the individual and the constitutional guarantees which preserve his freedom. It represents a people that have been generous, heroic and creative. It is the symbol of freedom from political oppression, of opportunity to make a better life to which the oppressed of all nations have turned with hope and been fulfilled.

Flag Day is a good time to get back to basics and recognize that a tingling up your spine when the stars and stripes go by is one of the surest signs that the vitality and genius of this nation and its capacity to achieve great things on the stage of history is still very much with us. Despite our mechanized, computerized society, the fact remains that anything having to do with human endeavor rests upon an intangible quality of spirit in the individual. Some individuals have it in larger measure than others, and the same is true of nations.

The greatness of the United States is based on the spirit of her people. Let us remember in these complicated days of our history, there is much need for simple patriotism, deeply felt and clearly shown.

FREEDOM AT ANY PRICE

by DR. HENRY V. WITTY

This week we are daring to discuss a "No-No"! We are going to probe the area of public assistance, known to some investigators as the most sacred of all sacred cows! The phrase of every bureaucratic hand-out program that is charged with emotion. Odds-on favorite of every bleeding heart who is determined to give his way into heaven (even though what he gives belongs to someone else). We are referring to the untouchable "Medical Care for the Needy." Few within the ranks of public service have the courage to speak out against this "darling" as it is being publicly administered today even though they are well aware of potential evidence against it.

Bela Detlof tells us that for three and a half years she worked an admissions worker in the Los Angeles County Department of Medical Social Services, the department charged with administration of Medical Care for the Needy. Mrs. Detlof says that "investigation of the truthfulness of statements made by applicants was frowned upon, to a point where it simply was NOT DONE by any admission worker interested in remaining on good terms with her superiors."

Continues Mrs. Detlof: "Applicants received free medical care even though they were substantial property owners, possessed ample cash resources, were eligible for care under private insurance plans or policies, or were aliens and therefore ineligible. In spite of laws governing the situation, I was constantly told, 'But, Mrs. Detlof, we are NOT here to verify the truth of a recipient's statement. We are here to help determine the best plan for his medical care, and then to assist him in carrying out that plan.' That, however, was not what the law required."

Let us review a case history as verified by Mrs. Detlof: "There was a young woman, who came to the Medical Social Services office at — Hospital for assistance in filling out the appropriate forms for her 'husband,' who was in the surgical ward awaiting major surgery. Before the interview was over, the woman divulged that she was receiving Aid to Families with Dependent Children because she was supposedly HUSBANDLESS. Despite her professed lack of a husband, she had eight children, all under ten years of age."

"In addition, the woman revealed that her 'husband' worked as a waiter in a well-known hotel. Knowing very well that he must belong to a union whose members were coerced by medical insurance, I phoned his employer for the pertinent information."

"Can you imagine my bewilderment when the employer told me that the 'husband' had not been ill, was at work on that very day, and hadn't missed a day's work in weeks? The mystery deepened. Who, then, was the man in the ward the young woman claimed was her husband?"

"An entry in her case history showed that the woman's husband had been deported from the United States about six years earlier as an illegal alien."

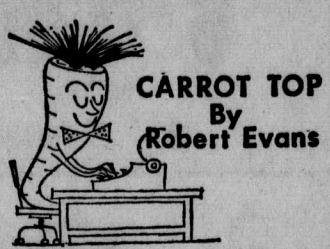

"On taking this amazing case to my supervisor," says Mrs. Detlof, "I was instructed to desist from any further investigation and merely provide the unknown man in the ward free medical care. The im-

portant thing, I was told, was that the man should receive care, legally or illegally!"

While investigation to establish the truth or falsehood of statements made by recipients of free medical care in Los Angeles County are always frowned on, Mrs. Detlof tells us that now that the State, the Federal Government and the County all combine to provide such free care, any investigation to verify such statements is EXPRESSLY FORBIDDEN!

This seems utterly fantastic when one realizes that the Federal Government (the instigator of this interlocking "plan") is presumably familiar with the report from the United States Comptroller General's office in 1962, regarding fraud in welfare cases in Washington, D.C. His report showed that only 9 percent of the cases investigated were receiving public assistance legally and in the proper amounts.

—Thanks to Bela Detlof.

prison for five years."

"I know exactly how you feel," stated Senator Richardson. "I've been in the State Senate for the past two years." I guess a politician up for reelection does have a strange feeling . . . coming home to answer to his people . . . But Bill has done a good job, and he is receiving a good many "hand shakes," and we are sure he back for a couple more years. At least that was what the vote indicated Tuesday.

Well, the Kiwanis boys had another successful "Kiwanis Breakfast." It is too early to know what the proceeds were, but I'll just bet that it was pushing close to a thousand, and that will buy a lot of equipment for Bailey Canyon Park. When you mention the fact you always see a great big smile on the face of Joe Grippi, chairman of the Parks and Recreation. Budget-wise, it gave them a lift. . . . thanks to the Kiwanis boys for a job well done.

Now we are sitting back and relaxing and waiting for the big celebration for the Fourth of July. The effort that has been put into this year's celebration is going to pay off with tremendous dividends. I can remember back only a few years when this idea was conceived by Francis King, wife of Councilman King. She took on this project almost single handed and did a beautiful job. She followed through the next year and with more help it was a greater success. Now it is in the hands of a great many people and it is bound to be a howling success from morning to night. . . . Plan on staying in town for the Fourth, you will be well entertained.

Now it is time to close up another column and hit the road running, so will leave you with this one little thought . . . "With 50 states and the U.S. Congress passing laws almost every day, there has still been no improvement in the 10 Commandments . . . to which we'll add Amen." . . . we hope, we hope, we hope.

Out of the Cobwebs

Sixty Years Ago:

June 12, 1908
Mrs. John G. Borglum and her friend, Miss Jeanne Danet, were guests at luncheon of Miss Victoria Witmer of Los Angeles on Thursday.

Mrs. C. Strahorn of Los Angeles spent part of the week at her cottage here on Palm Avenue.

The big 5-ton casting which will support most of the weight of the big telescope in the Mt. Wilson Observatory is at the peak at last. The trip up the trail was completed last week. It was almost too much for the heavy gasoline truck, and a four-mile team had to be called upon. The total weight of the truck and its load was nearly 13 tons and the toll road stood the strain in good

shape. The problem of getting the big forks of the mounting to the peak was one of the most difficult in the completion of the telescope and the professors in charge are feeling good over their success.

Messrs. R. R. Wherry, Howard Hill and A. S. Mead spent yesterday at Oro Grande inspecting the property of the Golden State Portland Cement Co.
